		Oppose	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to express my deep concern regarding the proposed Fiscal Year 2024-2025 budget for the Los Angeles County Development Authority (LACDA) and to offer suggestions for strengthening its financial standing and impact.</p> <p>While I commend the LACDA for its efforts to address critical issues like housing affordability, economic development, and community revitalization, I believe the proposed budget falls short of fully realizing its potential.</p> <p>To strengthen the FY 2024-2025 LACDA budget, I urge you to consider the following:</p> <p>1. Diversify Revenue Streams:</p> <p>Explore alternative funding sources: Investigate public-private partnerships, impact fees, and innovative financing models to broaden the revenue base and reduce reliance on traditional funding sources.</p> <p>Increase efficiency: Conduct a thorough review of LACDA operations to identify areas for cost savings and streamline processes, maximizing the impact of every dollar spent.</p> <p>2. Prioritize Strategic Investments:</p> <p>Focus on high-impact projects: Prioritize investments in projects with demonstrable returns on investment, such as affordable housing developments, job creation initiatives, and infrastructure improvements that attract businesses and residents.</p> <p>Invest in data-driven decision making: Utilize data and analytics to inform budget allocation and project selection, ensuring resources are directed towards the most impactful initiatives.</p> <p>3. Enhance Transparency and Accountability:</p> <p>Increase public engagement: Facilitate open communication and collaboration with stakeholders throughout the budget development process.</p>

			<p>Implement robust reporting mechanisms: Implement clear and transparent reporting procedures to track progress, measure outcomes, and ensure accountability for budget allocations.</p> <p>By implementing these recommendations, the LACDA can solidify its financial foundation, maximize its impact on the community, and ensure its long-term sustainability.</p> <p>I urge you to carefully consider these suggestions as you finalize the FY 2024-2025 budget. By working together, we can ensure that the LACDA has the resources it needs to address the critical challenges facing Los Angeles County and create a more equitable and prosperous future for all.</p> <p>Sincerely, Monisha Parker</p>
