			Monisha Parker	<p>Dear Supervisor Horvath,</p> <p>I hope this email finds you well. I am writing to bring to your attention a concern regarding the upcoming Countywide Signature DIAlogue event. It has come to my attention that the number of vehicles allocated for this event is significantly high, leading to increased costs for taxpayers each time a Fee Waiver is put on the agenda.</p> <p>As a taxpayer myself, I am deeply concerned about the financial burden that this places on our community. The excessive number of vehicles not only incurs unnecessary expenses, but also contributes to environmental concerns such as air pollution and traffic congestion.</p> <p>I kindly request that you reconsider the number of vehicles allocated for the Countywide Signature DIAlogue event. By reducing the number of vehicles, we can help alleviate the financial strain on taxpayers and promote sustainability in our community.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely, Monisha Parker</p>
