			GENEVIEVE M CLAVREUL	I just hope that the facilities chosen for this critical program offer safe refuge for our residents. I hope I never hear an unhoused woman say that she felt safer on the streets instead of a Homekey-provided room.

			V V Citizen	There is no end in sight. Please consider using the Army Corps to build immediate shelters on City/County vacant lands and provide address mailboxes for people to get their mail. This way the people who do not want to live in traditional residences can have a place to stay outdoors, with a bed/cot/food and the place is managed.
