34.		Favor	James R Troyer	I wish I could address the board in person but a serious illness with my aunt has forced me to take an afternoon flight to reno, NV. I represent elizabeth kho the property owner. We have worked on the lafco process for this property for nearly 2 yrs and support the adoption of this resolution pursuant to the analysis in the staff report thank you james troyer
		Oppose	Monisha Parker	<p>Dear Ms. Davenport,</p> <p>I am writing to you today to express my concern about the affordability of the Joint Resolution that will transfer \$54.22 in base property tax revenue and 0.096022462 of annual property tax increment from the City of Arcadia to the City of Monrovia.</p> <p>The median home price in Arcadia is already over \$1 million, and this resolution will only add to the financial burden faced by many residents.</p> <p>I understand that the City of Monrovia is facing financial challenges, but I do not believe that the solution is to shift the burden to taxpayers in Arcadia. There are other ways to address the City of Monrovia's financial problems without raising taxes on Arcadia residents.</p> <p>I urge you to reconsider the Joint Resolution and to work with the City of Monrovia to find a more equitable solution.</p> <p>Thank you for your time and consideration.</p> <p>Sincerely, Monisha Parker</p>
