The following individuals submitted comments on agenda item:				
Agenda #	Relate To	Position	Name	Comments
3-D.		<b>Oppose</b>	Monisha Parker	<p>Dear Emilio Salas,</p> <p>I am writing to express my opposition to the inclusion of 3-D services in the Annual Re-Examination Services Contract. I believe that this item should not be included without proper research and consideration of other options for HCV program management companies.</p> <p>While you may feel comfortable with Quadel Consulting and Training LLC, I and many other residents of Los Angeles County are concerned about overspending in this department. It is crucial that we explore all available options and choose the most cost-effective and efficient company to manage the HCV program.</p> <p>I have researched some alternative HCV program management companies that may be worth considering, including Nan McKay AND ASSOCIATES, INC., AMA Consulting Group, and CGI consultant. These companies have a proven track record of successfully managing HCV programs and may offer more cost-effective solutions than Quadel Consulting and Training LLC.</p> <p>I strongly urge you to take the time to research these companies and other potential options before making a decision on the Annual Re-Examination Services Contract. It is our responsibility to ensure that taxpayer dollars are being used efficiently and effectively, and I believe that a thorough review of all available options is necessary to make the best decision for the residents of Los Angeles County.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely,</p> <p>Monisha Parker</p>

## [Housing Program Management](#)

# Housing Choice Voucher Program

The Housing Choice Voucher (HCV) Program is the nation's largest rental assistance program. Since 1995, the public housing consultants at CGI have worked with the affordable housing industry to improve and streamline operations in support of locally administered HCV programs.
