(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval to authorize and direct the collection of annual assessments for 11 drainage benefit assessment areas in the unincorporated community of Quartz Hill for Fiscal Year 2024-25. These actions do not necessitate a public hearing or other procedures prescribed by Proposition 218.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Direct the Executive Officer to file the Engineer's Report prepared by the Director of Public Works for Drainage Benefit Assessment Area Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 describing the services provided to the affected parcels, the cost of the services, and the assessment amounts.
2. Find that the adoption of the resolutions authorizing and directing the collection of the annual assessments for Drainage Benefit Assessment Area Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 for Fiscal Year 2024 25, is statutorily exempt from the California Environmental Quality Act for the reasons stated in this Board letter and in the record of the project.
3. Adopt the resolutions authorizing and directing the collection of the annual assessments for

Drainage Benefit Assessment Area Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 for Fiscal Year 2024-25.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to find the adoption of the resolutions exempt from the California Environmental Quality Act (CEQA) and will provide for the continuation of the annual assessments for Drainage Benefit Assessment Area (DBAA) Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 located in the Quartz Hill area to finance drainage and flood control services to be performed in the respective DBAAs during Fiscal Year (FY) 2024-25.

The enclosed Engineer's Report dated March 2024 (Appendix A), specifically describes the respective services proposed to be financed through the revenue derived from the annual assessments for each DBAA. The enclosed resolutions (Appendix B) authorize and direct the collection of the annual assessments for FY 2024-25 for DBAA Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28 to finance the maintenance and operation of drainage facilities constructed and dedicated to the County in connection with various residential subdivision tracts. The annual assessment for each DBAA has not changed from the prior year and ranges from \$40.58 to \$340.91 per benefit unit depending on the DBAA.

### **Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal A, Public Health, Strategy i, Population Based Health, by providing sufficient funds to continue maintaining the drainage systems in a safe and effective operating condition, thereby improving the quality of life for those in the DBAA.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

The total amount of the annual assessments proposed to be collected to finance the maintenance, operation, and improvement of drainage facilities constructed for the 11 DBAAs is \$86,176.37. Sufficient appropriation is included in each of the DBAA funds (P06, P09, P10, P89, P96, P0B, P0C, P0D, P0F, P0G, and P0J Revenue Source 9110) FY 2024-25 budgets.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The drainage facilities in each DBAA were constructed and dedicated to the County as required by conditions imposed through the land subdivision review and approval process and provide special benefits to the properties within the proposed assessment areas.

DBAA Nos. 5, 8, 9, 13, 15, 17, 22, 23, 25, 26, and 28, located in the unincorporated community of Quartz Hill, were formed on February 12, 1985; May 12, 1987; May 19, 1986; November 21, 1986; January 28, 1988; March 30, 1989; February 14, 1989; June 22, 1989; February 15, 1990; September 27, 1990; and January 17, 1991, respectively. The annual assessments for these DBAAs were previously determined and levied by the Board pursuant to the Benefit Assessment Act of 1982. The assessment amounts for these DBAAs have not increased since their respective formations.

Pursuant to California Constitution Article 13D, Section 5, subsection (a), and the State Government Code, Section 53753.5, the levy of the annual assessments for the upcoming fiscal year is exempt from the requirement of a public hearing and the other procedures of Proposition 218 as no increase in any of the assessments is being proposed.

The resolutions in Appendix B have been approved as to form by County Counsel.

**ENVIRONMENTAL DOCUMENTATION**

The proposed annual assessments are exempt from the provisions of CEQA. Adoption of the resolutions directing the collection of the annual assessments is for the purpose of meeting operating expenses and is statutorily exempt from CEQA pursuant to Section 21080, subsections (b)(8), of the California Public Resources Code and Section 15273, subsection (a), of the State CEQA guidelines.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The annual assessments constitute an essential source of revenue for the continued maintenance and operation of drainage facilities required for the protection of area residences and businesses.

**CONCLUSION**

Please return one adopted copy of this Board letter and one copy of the adopted resolution to Public Works, Land Development Division. Also, please forward one adopted copy of this letter and one copy of the adopted resolutions to the Assessor, Auditor-Controller, and County Counsel.
