12.		Favor	Terry Kim	On behalf of Children's Institute, I am writing in support of Item #12, Celebrating Fatherhood Well-Being Month in Los Angeles County. I want to thank Supervisor Holly Mitchell for her leadership and the Board of Supervisors in acknowledging healthy fathers as integral to healthy families. Last year's motion facilitated meaningful opportunities for fathers and father-focused community organizations to advocate and engage directly with the County to work towards solutions together. We are encouraged by the recommendations to promote fatherhood well-being through targeted outreach, focused resources, and community partnerships that value and dignify fathers. We look forward to continued collaboration with county departments on implementation.
