7.		Favor	Lauren Natoli	Thank you Supervisor Solis for your commitment to HCV to coordinate reporting, testing, and treatment throughout the county. HCV impacts our most vulnerable populations and continued outreach is needed to reduce the high rates of HCV in LA. I request the Board support this motion.

		Other	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to bring to your attention the urgent need to address the growing issue of Hepatitis C in Los Angeles County. As a concerned resident, I believe it is imperative that we take proactive steps to prevent the spread of this disease and provide necessary support and resources for those affected.</p> <p>Hepatitis C is a serious public health concern that affects a significant portion of our population. It is important that we prioritize education and awareness campaigns to inform our community about the risks and prevention methods associated with Hepatitis C. Additionally, we must ensure that testing and treatment options are readily available and accessible to all residents.</p> <p>I urge the Board of Supervisors to allocate resources towards implementing programs and initiatives that focus on Hepatitis C prevention, testing, and treatment. By investing in these efforts, we can significantly reduce the prevalence of this disease in our county and improve the overall health and well-being of our residents.</p> <p>Thank you for your attention to this matter.</p> <p>Monisha Parker</p>
