4.		<b>Favor</b>	Charles Vignola	The Los Angeles Regional Reentry Partnership, LARRP, fully supports this motion. Not only is additional oversight for access to menstrual products a good step for ensuring dignity is maintained for this population, but as a co-sponsoring organization of Isaac Bryan's AB 1810, we are strongly in favor of LA County supporting this bill and our work on expanding and protecting access to menstrual products for the incarcerated population across the state.
