

**Fee Waiver for the 2024 LAUSD Superintendent’s Opening of Schools Address**

Prior to the beginning of each school year, the Los Angeles Unified School District (LAUSD) presents a Superintendent’s Opening of Schools convening to address up to 2,000 school principals, senior administrators, and attendees such as elected officials and their staff representatives, leadership from charter schools, program partners, and community organizations. The LAUSD serves more than 500,000 students throughout Los Angeles County (County) in communities spread across 700 square miles. The Walt Disney Concert Hall, a centerpiece of art, culture, and community engagement in the County, is the ideal location to bring this community together for this conversation.

**I, THEREFORE, MOVE** that the Board of Supervisors waive parking fees for 1,000 parking spaces on Tuesday, July 23, 2024, from 6:30 am to 2 pm in the amount of \$20,000.00 excluding the cost of liability insurance, for the use of Lot 16.
