It is an opportunity for the Superintendent to share his vision for the district and to highlight the progress that has been made over the past year.</p> <p>However, the current fee waiver of \$20 per vehicle is a financial burden for many families. For many families, this fee represents a significant expense, especially when combined with the cost of parking and other expenses associated with attending the event.</p> <p>Reducing the fee waiver to \$10 per vehicle would make it more affordable for families to attend the Opening of Schools Address. This would allow more families to participate in this important event and to hear the Superintendent's vision for the future of LAUSD.</p> <p>I urge you to consider my request and to reduce the fee waiver to \$10 per vehicle. This would be a positive step towards making the Opening of Schools Address more accessible to all families in Los Angeles.</p> <p>Thank you for your time and consideration.</p> <p>Sincerely,</p> <p>Monisha Parker</p> <p>\$10 dollars per vehicle x 1,000 = \$10,000 vs \$20,000 overspending on fee waiver</p>
