		Oppose	paul burt	First off, yet ANOTHER waste of taxpayer funds 2) Frivolous, non-value added step proposal. 3) The phrase "develop a process to require firearm vendors seeking to sell firearms to Los Angeles County, to certify under penalty of perjury" etc. etc. is below meaningless; did a 4th grader put this body of text together? If you're an individual or group, engaged as "firearm vendors" in Los Angeles County then they have - and are - already "certified" to engage in said enterprise.
