Section 11.34. If the Board of Supervisors determines by a two-thirds vote that the County Executive is temporarily disabled, the Chairman of the Board of Supervisors shall become the Acting County Executive for the period of such temporary disability or until a vacancy in the office of County Executive is declared. A temporary disability is terminated when the County Executive files a declaration with the Board of Supervisors

stating that his temporary disability has ended. Such declaration shall be based upon the swom written testimony of three competent physicians licensed to practice medicine in the State of California that the County Executive's temporary disability has ended and that the County Executive is physically and mentally competent and able to carry out the duties of Office. For the purposes of this action, the Acting County Executive shall have the full powers of the County Executive except he shall not have the power to remove any person. provided in the Charter until an elected successor qualifies, or until a County Executive is appointed or the Chairman of the Board of Supervisors shall become County Executive as hereinafter provided, whichever first occurs.

When a vacancy occurs in the Office of County Executive, the vacancy shall be filled by election if the Board of Supervisors adopts an ordinance calling a special election for such purpose on or before the thirtieth day after the vacancy occurs. In the event the governor fails to appoint a successor within such period, the Chairman of the Board of Supervisors or the Supervisor who is the Acting County Executive pursuant to Section 11.34 shall become the County Executive.

Whenever a County Executive is appointed or the Chairman of the Board of Supervisors becomes County Executive because the Governor failed to appoint a County Executive as herein provided, the appointee shall hold office until the election and qualification of his successor. In such case, a successor shall be elected at the

next general election, to fill the vacancy for the unexpired term, unless such term expires on the first Monday of December succeeding said election.

Section 11.38. The County Executive shall have such additional powers and duties as may be prescribed by law or ordinance.

The failure of the County Executive to return an ordinance or resolution to the Clerk of the Board of Supervisors within the time limits herein specified shall constitute his approval thereof and the ordinance or resolution shall take effect without the signature of the County Executive, the Clerk of the Board of Supervisors making note of such fact on the official copy of the ordinance or resolution.

When the County Executive has been out of the County for a period of ten (10) business days, the power of the County Executive to veto an ordinance or resolution shall devolve on the Chairman of the Board of Supervisors. When the County Executive

RE:

Charter Amendments - Board Expansion and County

Executive(Item 74 of July 11, 2000 Agenda)

This transmits the following documents which supplement the materials filed with the Executive Officer in response to discussions at your meeting on July 5, 2000. You may wish to consider these materials as alternatives to those which appear on the agenda.

Enclosure 1- Draft Expansion Measure with cost containment language allowing a newly expanded Board to establish a benchmark budget for its staffing and operations in Fiscal Year 2003- 2004. The budget would include expenditures for the existing Executive Office of the Board and for other agencies which provide ancillary services to support Board operations. In subsequent fiscal years, the budget would be neither greater nor less than the benchmark subject to a cost of living adjustment which could be exceeded only by a two-thirds majority vote of the Board. This version also omits language contained in the November 23, 1999 version of this measure that would bar implementation of expansion unless a County Executive is established.

Enclosure 2- Draft Expansion Measure with cost containment language that would require the existing five-member Board to establish a benchmark budget for its staffing and operations in Fiscal Year 2002-2003. In this version, the benchmark is a ceiling but not a floor. The result of this measure is to require operation of a nine-member Board on a budget tied to that of the existing five-member

Board subject to a cost of living adjustment. This version also omits language contained in the November 23, 1999 version of this measure that would bar implementation of expansion unless a County Executive is established.

Enclosure 3

Draft Expansion Measure with cost containment language that would require the expanded Board to enact a cost containment plan within 180 days of the time when the newly established members assume office. This version also omits language contained in the November 23, 1999 version of this measure that would bar implementation of expansion unless a County Executive is established.

Enclosure 4

Cout to 11-14-00

A draft of the County Executive Measure which includes language that would bar the implementation of the County Executive unless a Board expansion measure is enacted and implemented.

Finally, during your Board's discussion on July 5, 2000, issues were raised concerning the impact of certain language "linking" an expansion measure to a measure creating the County Executive. The following examples are intended to illustrate various options available to your Board in determining whether to include such language in these measures:

Linking Language

Result

No linking language in either measure	If expansion fails and County Executive is implemented, there will be a County Executive with a five-member Board.
Language in County expansion measure stating that expansion will not be effective unless County Executive is implemented	If County Executive fails, expansion cannot be implemented. If County Executive passes and expansion fails, there will be a County Executive with a five-member Board
Language in County expansion measure stating that expansion will be effective only if only County Executive is implemented	Expansion may pass but will only be effective if County Executive passes; if County Executive passes and expansion fails, there will be a County Executive with a five-member Board

Linking Language

Result

Language in County Executive measure stating that County Executive measure will not be effective unless expansion is implemented There can only be a County Executive if there is an expanded Board.

Language in County Executive measure stating that County executive measure will be effective only if expansion is implemented

There can only be a County Executive if there is an expanded Board.

Board Memorandum Enclosure 1 ANALYSIS

This ordinance would call a special election to be held on November 7, 2000, for the purpose of voting upon an amendment to the Los Angeles County Charter which would increase the membership of the Board of Supervisors from five to nine, effective the first Monday in December 2002. The ordinance also directs the consolidation of the election with the statewide general election to be held the same day. The proposed charter amendment provides cost containment of expenditures for the enlarged Board and its staff. The amount first budgeted by the enlarged Board for staffing and operations, including staffing and operations of the Executive Office for Fiscal Year 2003–2004, is established as a benchmark for such expenditures. In each subsequent fiscal year, this budget shall not exceed nor be less than the benchmark subject to a cost of living adjustment. The benchmark, as adjusted, may be increased only by a two-thirds vote of the Board.

Such declaration shall be based upon the sworn written testimony of three competent physicians licensed to practice medicine in the State of California that the County Executive's temporary disability has ended and that the County Executive is physically and mentally competent and able to carry out the duties of Office. For the purposes of this action, the Acting County Executive shall have the full powers of the County Executive except he shall not have the power to remove any person. When the County Executive has been out of the County for a period of ten (10) business days, the power of the County Executive to veto an ordinance or resolution shall devolve on the Chairman of the Board of Supervisors. When the County Executive

MINUTES OF THE BOARD OF SUPERVISORS COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Joanne Sturges, Executive Officer Clerk of the Board of Supervisors 383 Kenneth Hahn Hall of Administration Los Angeles, California 90012

County Counsel

At its meeting held July 5, 2000, the Board took the following action:

64

Supervisor Knabe made the following statement:

"I believe that this Board needs to move forward to place before the voters of Los Angeles County the straightforward opportunity to choose whether to expand the Board from its current five members to nine members.

"This should be done without linking this choice to the decision as to whether to modify this form of government by requiring the voters to also approve the creation of a position of County Executive.

"I believe that our constituents should be given the opportunity to decide on this issue of Board expansion without the voters of 57 other counties dictating the form of government in Los Angeles County."

Alan Clayton, Julie Matsumoto and Ruben Rodriguez addressed the Board.

After discussion, on motion of Supervisor Knabe, seconded by Supervisor Burke, duly carried by the following vote: Ayes: Supervisors Burke, Yaroslavsky, Knabe and Molina; Noes: Supervisor Antonovich, the Board instructed County Counsel to prepare a proposed charter amendment expanding the Board of Supervisors from five to nine members for placement on the November 7, 2000 ballot to be consolidated with the Statewide election to be held that day. In addition, County Counsel was instructed to add cost containment language to the proposed ordinance.

(Continued on Page 2)

-1-

Syn. 64 (Continued)

Supervisor Yaroslavsky made the following statement:

"Creation of a County Executive requires an amendment to the Los Angeles County Charter approved by the voters. On August 24, 1999 the Board of Supervisors voted to direct County Counsel to prepare an appropriate ordinance calling for a special election to place an amendment before the voters which, if adopted, would separate the legislative and executive powers of the Board of Supervisors and create the office of County Executive. The Executive Officer would replace the appointed Administrative Officer, reorganize and appoint department heads, prepare the budget, and veto ordinances. The Board of Supervisors would continue as the legislative body to confirm appointments, adopt ordinances and override vetoes.

"This charter amendment should include appropriate cost controls. Additionally, it should stand alone and not be linked or 'double-joined' to any other charter amendment that may be placed upon the ballot."

Therefore, Supervisor Yaroslavsky made a motion that the Board instruct County Counsel to prepare a proposed charter amendment creating the Office of County Executive, for placement on the November 7, 2000 ballot, to be consolidated with the Statewide election to be held that day.

Supervisor Burke made a substitute motion, seconded by Supervisor Molina, to continue Supervisor Yaroslavsky's motion to the meeting of July 18, 2000. Said substitute motion failed to carry by the following vote: Ayes: Supervisors Burke and Molina; Noes: Supervisors Yaroslavsky, Knabe and Antonovich.

Supervisor Yaroslavsky's motion, seconded by Supervisor Knabe, was duly carried by the following vote: Ayes: Supervisors Yaroslavsky, Knabe and Antonovich; Noes: Supervisors Burke and Molina.

ANALYSIS

This ordinance would call a special election to be held on November 7, 2000, for the purpose of voting upon an amendment to the Los Angeles County Charter which would create the elective office of County Executive.

The ordinance also directs the consolidation of this election with the statewide general election to be held on the same day.

This County Executive measure would only become effective if a companion ballot measure expanding the membership of the Board of Supervisors from five members to nine members is concurrently approved by the voters and otherwise becomes effective.
