		Oppose	Dakota Kelley	<p>The allocation of \$125,000 for a subject matter expert is not required for the gender equity goal. Los Angeles County employs a whole Human Resource Department which can easily meet the requirements of the gender equity goal.</p> <p>Also, the mission of the Women and Girls Initiative to establish Los Angeles County as a leader in creating opportunities and improving outcomes for all women and girls is a discriminatory practice and should not be supported. The vision that Los Angeles County is a place where ALL women and girls are empowered to reach their full potential is a discriminatory practice against boys and men.</p> <p>This is a 14th Amendment violation clearly stating that EVERYONE should have an equal opportunity. Taxpayers money should never be used to fund discriminatory initiatives operated by the government.</p>
			paul burt	Another blithe, frivolous waste of taxpayer funds!!
