2.		Favor	Christopher I Gomes	
		Oppose	BILL HALPIN	There are several zones in the Castaic area that have been in a non sufficient fund situation for years. Reducing the amount of service puts the zones in a downward spiral condition. This is what happened where I live in zone 37. If the homeowner's will not agree on a increase, maybe give the maintenance on the right of way to the Road Division like you did for zone 56. Keep their current assessment to pay for the balance.
