81.		Oppose	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to express my strong opposition to item 81 on the agenda, which proposes employing a retired county employee on a temporary basis at a rate of \$110.05 per hour.</p> <p>While I understand the need to fill temporary positions, I believe that the proposed hourly rate is excessive and unsustainable for Los Angeles County taxpayers. Many residents are struggling to make ends meet, and I am concerned that allocating such a significant amount of public funds to a single individual sends the wrong message about our priorities.</p> <p>Furthermore, approving this item could be perceived as a disregard for the democratic principles of fiscal responsibility and fairness. It is crucial that we allocate public funds in a manner that benefits all residents, not just a select few.</p> <p>I urge you to reconsider item 81 and explore more cost-effective solutions to address the temporary staffing needs. This could include utilizing existing employees, engaging with temporary staffing agencies, or offering competitive salaries that are aligned with the fiscal realities of our county.</p> <p>Thank you for considering my concerns.</p> <p>Sincerely, Monisha Parker</p>
