The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

### **APPROVAL OF A CONTRACT WITH COMSEC ASSOCIATES, INC. FOR TESTING, REVIEW, AND INSPECTION SERVICES OF EMERGENCY RESPONDER RADIO COVERAGE SYSTEMS (ALL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The Consolidated Fire Protection District of Los Angeles County (District) is requesting Board of Supervisors' (Board) approval to establish a contract with Comsec Associates, Inc. (Comsec) to provide testing, review, and inspection services of emergency responder radio coverage systems (ERRCS).

#### **IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY**

1. Approve and instruct the Fire Chief, or his designee, to sign the Contract (Enclosure), which has been approved as to form by County Counsel, between the District and Comsec, to provide ERRCS testing, review, and inspection services.
2. Authorize the maximum contract sum of \$1,750,000 for the five-year contract term. The contract shall be effective August 1, 2024.
3. Delegate authority to the Fire Chief, or his designee, to execute amendments, suspensions, or termination if deemed necessary, and in accordance with the approved contract terms and conditions, provided the amounts payable under such amendments do not exceed the \$1,750,000 maximum contract sum and with County Counsel approval as to form.

4. Find that this Contract is exempt from the provisions of the California Environmental Quality Act (CEQA).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

#### Contracted Services

Comsec will provide technical expertise in reviewing data provided by ERRCS installers and will review design plans submitted for the construction of new systems. Comsec will also conduct inspections of all new systems and if an ERRCS does not pass upon initial inspection, a re-inspection will be performed by Comsec. Comsec will provide annual inspections of the existing ERRCS systems. ERRCS testing, reviews, and inspections may be performed anywhere the District provides services throughout Los Angeles County.

#### ERRCS Background

ERRCS are required for various occupancy classifications in the Los Angeles County Fire Code Title 32. An ERRCS is a complex radio frequency system installed within large commercial and residential buildings (e.g., So-Fi Stadium, Intuit Dome, high-rise buildings, etc.) that provide public safety radio coverage and enhance first responders' communications capabilities. The systems receive and retransmit radio signals within the building and ensure radio frequency penetration in all areas including stairwells, elevators, basements, and other heavily shielded areas. The systems allow first responders to communicate with each other within the building, outside of the building, and with dispatch personnel.

### **Implementation of Strategic Plan Goals**

Approval of the recommended actions is consistent with the County's Strategic Plan North Star 3.G. Internal Controls and Processes, by continually maximizing revenue, managing, and maximizing County assets, measuring impact and effectiveness of our collective efforts, and enhancing County's fiscal strength through long-term planning. Comsec has the specialized experience, qualifications, and equipment to provide this service effectively, efficiently, and in a responsive manner that will support the District in meeting this goal.

### **FISCAL IMPACT/FINANCING**

The District, as a Special District, is funded independently from the County's General Fund, and relies primarily on property tax revenue to provide essential fire protection and life safety services.

The maximum contract sum is \$1,750,000 for the five-year contract term. The District has received a \$350,000 Productivity Investment Fund Grant from the County of Los Angeles Quality and Productivity Commission to fund the initial implementation of the Contract. The District will allocate necessary funds for the \$1,400,000 required for the remainder of the contract term from Fire Prevention fees collected related to the installation and inspection of ERRCS. The 2023 Los Angeles County Fire Code Title 32 currently contains fees for plan reviews and inspections which allow the Contract to remain cost neutral.

The proposed Contract includes a Cost-of-Living-Adjustment (COLA) capped at five percent, or the general salary movement granted to County employees as determined by the Chief Executive Office (CEO), whichever is less. Should fiscal circumstances ultimately prevent the Board from approving

any increase in County employee salaries, no COLA will be granted.

There is no impact to net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

All reviews and inspections completed by Comsec will comply with District regulations, Los Angeles County Fire Code Title 32, and applicable National Fire Protection Association codes. Comsec agrees to maintain compliance with all Board and CEO requirements throughout the term of the contract. The enclosed Contract provides that the District has no obligation to pay for expenditures incurred by the selected vendor beyond the contract pricing mechanisms. Comsec is not guaranteed a minimum amount of work, as the services are as needed and intermittent. Additionally, Comsec will not be asked to perform services that exceed the approved scope of work or contract term.

### **ENVIRONMENTAL DOCUMENTATION**

This Contract will not have a significant effect on the environment; and therefore, is exempt from CEQA, pursuant to Section 15061 (b)(3) of the CEQA Guidelines.

### **CONTRACTING PROCESS**

On January 30, 2024, the District released a Request for Proposals (RFP) solicitation. In addition to posting the announcement on the County's WebVen portal and the District's contracting website, the District also advertised the solicitation in the Los Angeles Times.

On February 29, 2024, the District received one qualified proposal from Comsec. The proposal was forwarded to an evaluation committee for review and scoring. The committee's evaluation was based on criteria specified in the RFP, which included price, qualifications, experience, references, approach, and quality control. Upon completion of the evaluation and based on an informed averaging scoring process, it was determined that Comsec possessed the qualifications, experience, and knowledge to provide quality services for the District.

The CEO's Risk Management Branch reviewed the contracts prior to the release of the solicitation and concurred with the provisions relating to insurance and indemnification. The District has reviewed the Contractor Alert Reporting Database to assess past performances, negative experiences, and complaints with other agencies and have found that there are currently no negative findings or complaints against Comsec that would prevent them from contracting with the District. The contract has been signed by Comsec and County Counsel.

The Living Wage Ordinance provisions do not apply to this Contract, as it is exempt from Proposition A, as the services cannot be performed adequately or competently or satisfactorily by civil service employees, and it is impossible to recruit such personnel to perform such services for the period of time such services are needed by the District.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The District's Fire Prevention Division is currently performing plan reviews and inspections of ERRCS. These systems require extensive radio frequency expertise and specialized equipment to

The Honorable Board of Supervisors

do a thorough and complete review and inspection. The District does not possess this specific knowledge and required equipment thereby necessitating the need to contract with Comsec for these services.

## **8.4 Budget Reductions**

In the event that the County's Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the District reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract will also be reduced correspondingly. The District's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Contract.

## **8.5 Complaints**

The Contractor must develop and maintain operating procedures for receiving, investigating and responding to complaints.

### **8.5.1 Complaint Procedures**

- Within forty-five (45) business days after the Contract effective date, the Contractor must provide the District with the Contractor's procedures for receiving, investigating and responding to user complaints.
- The District will review the Contractor's procedures and provide the Contractor with approval of said procedures or with requested changes.
- If the District requests changes in the Contractor's procedures, the Contractor must make such changes and resubmit the procedures within five (5) business days for District approval.
- If, at any time, the Contractor wishes to change the Contractor's procedures, the Contractor must submit proposed changes to the District for approval before implementation.
- The Contractor must preliminarily investigate all complaints and notify the District's Project Manager of the status of the investigation within five (5) business days of receiving the complaint.
- When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- Copies of all written responses must be sent to the District's Project Manager within three (3) business days of mailing to the complainant.

## **8.6 Compliance with Applicable Laws**

- 8.6.1** In the performance of this Contract, Contractor must comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions

required thereby to be included in this Contract are hereby incorporated herein by reference.

- 8.6.2** Contractor must indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

## **8.7 Compliance with Civil Rights Laws**

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Additionally, Contractor certifies to the County:

- 8.7.1** That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 8.7.2** That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- 8.7.3** That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- 8.7.4** Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

## **8.8 Compliance with the County's Jury Service Program**

### **8.8.1 Jury Service Program**

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

### **8.8.2 Written Employee Jury Service Policy**

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the Contract.
- If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the

Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

- Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

## **8.9 Conflict of Interest**

**8.9.1** No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

**8.9.2** The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

## **8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

## **8.11 Consideration of Hiring GAIN/START Participants**

**8.11.1** Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the contractor's

minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: [gainstart@dpss.lacounty.gov](mailto:gainstart@dpss.lacounty.gov) and [BSERVICES@OPPORTUNITY.LACOUNTY.GOV](mailto:BSERVICES@OPPORTUNITY.LACOUNTY.GOV) and DPSS will refer qualified GAIN/START job candidates.

**8.11.2** In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

## **8.12 Contractor Responsibility and Debarment**

### **8.12.1 Responsible Contractor**

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

### **8.12.2 Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

### **8.12.3 Non-responsible Contractor**

The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

### **8.12.4 Contractor Hearing Board**

- If there is evidence that the Contractor may be subject to debarment, the District will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the District will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

### **8.12.5 Subcontractors of Contractor**

These terms will also apply to subcontractors of County contractors.

### **8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law**

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>.

### **8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program**

**8.14.1** The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

**8.14.2** As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

### **8.15 County's Quality Assurance Plan**

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

## **8.16 Damage to District Facilities, Buildings or Grounds**

**8.16.1** The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to District facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

**8.16.2** If the Contractor fails to make timely repairs, District may make any necessary repairs. All costs incurred by District, as determined by District, for such repairs must be repaid by the Contractor by cash payment upon demand.

## **8.17 Employment Eligibility Verification**

**8.17.1** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

**8.17.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

## **8.18 Counterparts and Electronic Signatures and Representations**

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The District and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

## **8.19 Fair Labor Standards**

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its

agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

## **8.20 Force Majeure**

**8.20.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

**8.20.2** Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

**8.20.3** In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

## **8.21 Governing Law, Jurisdiction, and Venue**

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

## **8.22 Independent Contractor Status**

**8.22.1** This Contract is by and between the District and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the District and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

**8.22.2** The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The District will have no liability or

responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

**8.22.3** The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the District. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

**8.22.4** The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

### **8.23 Indemnification**

The Contractor must indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

### **8.24 General Provisions for all Insurance Coverage**

**8.24.1** Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

#### **8.24.2 Evidence of Coverage and Notice to District**

- Certificate(s) of insurance coverage (Certificate) satisfactory to District, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, must be delivered to County at the address shown below and provided prior to commencing services under this Contract.
- Renewal Certificates must be provided to District not less than ten (10) days prior to Contractor's policy expiration dates. The District reserves the right to obtain complete, certified copies of any

Certificates must provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any District required endorsement forms.
- Neither the District's failure to obtain, nor the District's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements must be sent to:  
  
*Consolidated Fire Protection District of  
Los Angeles County  
Materials Management Division/Contracts Section  
5801 S. Eastern Avenue, Suite 100

### **8.24.3 Additional Insured Status and Scope of Coverage**

The County, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status will apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the

County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

**8.24.4 Cancellation of or Changes in Insurance**

Contractor must provide District with, or Contractor's insurance policies must contain a provision that District will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to District at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the District, upon which the District may suspend or terminate this Contract.

**8.24.5 Failure to Maintain Insurance**

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which District immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. District, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the District may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

**8.24.6 Insurer Financial Ratings**

Coverage must be placed with insurers acceptable to the District with A.M. Best ratings of not less than A:VII unless otherwise approved by District.

Any District maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

**8.24.8 Waivers of Subrogation**

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

**8.24.9 Subcontractor Insurance Coverage Requirements**

Contractor must include all subcontractors as insureds under Contractor's own policies or must provide District with each

subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein and must require that each subcontractor name the District and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor must obtain District's prior review and approval of any subcontractor request for modification of the Required Insurance.

#### **8.24.10 Deductibles and Self-Insured Retentions (SIRs)**

Contractor's policies will not obligate the District to pay any portion of any Contractor deductible or SIR. The District retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the District, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

#### **8.24.11 Claims Made Coverage**

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date must precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

#### **8.24.12 Application of Excess Liability Coverage**

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

The County and its Agents must be designated as an Additional Covered Party under any approved program.

#### **8.24.15 County Review and Approval of Insurance Requirements**

## 8.26 Liquidated Damages

**8.26.1** If, in the judgment of the Fire Chief, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Fire Chief, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the District, will be forwarded to the Contractor by the Fire Chief, or their designee, in a written notice describing the reasons for said action.

**8.26.2** If the Fire Chief, or their designee, determines that there are deficiencies in the performance of this Contract that the Fire Chief, or their designee, deems are correctable by the Contractor over a certain time span, the Fire Chief, or their designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Fire Chief, or their designee, may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$50 per day per infraction, or as specified in Attachment 2 (Performance Requirements Summary (PRS)) Chart of Exhibit A (Statement of Work)

hereunder, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the District, as determined by the District.

**8.26.3** The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the District cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

**8.26.4** This Paragraph must not, in any manner, restrict or limit the District's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the District's right to terminate this Contract as agreed to herein.

## **8.27 Most Favored Public Entity**

If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the District.

## **8.28 Nondiscrimination and Affirmative Action**

**8.28.1** The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti discrimination laws and regulations.

**8.28.5** The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

**8.28.6** The Contractor will allow District representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the District.

**8.28.7** If the District finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the District may terminate or suspend this Contract. While the District reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the District that the Contractor has violated the anti-discrimination provisions of this Contract.

**8.28.8** The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the District will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

### **8.30 Notice of Delays**

All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq.](#) (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

**8.36.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside of Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.38.4** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

### **8.39 Recycled Bond Paper**

The Contractor is responsible to notify its subcontractors of this District right.

**8.40.6** The District's Project Director is authorized to act for and on behalf of the District with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the District, Contractor must forward a fully executed subcontract to the District for their files.

**8.40.7** The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the District's consent to subcontract.

**8.40.8** The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the District from each approved subcontractor. Before any subcontractor employee may perform any work hereunder, Contractor must ensure delivery of all such documents to:

#### **8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program**

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to [County Code Chapter 2.202](#).

#### **8.42 Termination for Convenience**

**8.42.1** This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the District, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

**8.42.2** After receipt of a notice of termination and except as otherwise directed by the District, the Contractor must:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as would not have been terminated by such notice.

**8.42.3** All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract must be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

#### **8.43 Termination for Default**

- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the District may authorize in writing) after receipt of written notice from the District specifying such failure.

**8.43.2** In the event that the District terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the District may procure, upon such terms and in such manner as the District may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the District for any and all excess costs incurred by the District, as determined by the District, for such similar goods and services. The Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

**8.43.3** Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the District in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

**8.43.4** If, after the District has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the District that the Contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

**8.43.5** The rights and remedies of the District provided in this Paragraph 8.43 (Termination for Default) will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.44 Termination for Improper Consideration**

respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the District will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

**8.44.2** The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

#### **8.47 Termination for Non-Appropriation of Funds**

Notwithstanding any other provision of this Contract, the District will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the District's future fiscal years unless and until the County's Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds

were appropriated. The District will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

#### **8.48 Validity**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

#### **8.49 Waiver**

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.50 Warranty Against Contingent Fees**

**8.50.1** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the District will require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. District will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.
