STATEMENT OF WORK

LAW ENFORCEMENT DISPATCHING AND COMMUNICATIONS SERVICES

1.0 SCOPE OF WORK

- 1.1 The County, through the Sheriff's Department ("Sheriff's Department"), will provide Compton Community College District and the Compton College Police Department ("CCPD") with access to the Sheriff's Department's radio system for purposes of field radio communications. Access to the Sheriff's Department's radio system includes a designated primary and tactical general use radio channel, radio room dispatchers, and the Sheriff's Department's Computer Aided Dispatch ("CAD"). There will not be a radio room dispatcher dedicated solely to CCPD. In addition, the radio channels allocated to CCPD shall be available to and used by other units. Unless otherwise determined, and as routinely necessary, CCPD will be assigned to the same primary and tactical general use radio channels as those assigned to the Sheriff's Department's Compton Patrol Station.
- 1.2 The Sheriff's Department shall provide CCPD access to the Sheriff's Department's data network for the purpose of using Mobile Digital Computers ("MDCs") and CAD for the dispatching of calls for service, logging of activity by CCPD, and routine and necessary access to law enforcement information systems.
- 1.3 The Sheriff's Department shall provide 911 emergency phone call receiving for 911 calls originating from, or for, the Compton Community College campus. Emergency and non-emergency calls for service originating from 911 phone calls will be created and dispatched by the Sheriff's Department to CCPD via CAD and/or radio. The Sheriff's Department will do the same for calls for service received from business phone lines, text messaging, in person, or other means of communication to the Sheriff's Department for CCPD and the Compton College campus. Unless otherwise determined, and as routinely necessary, receiving of these requests for service for CCPD will be received at the Sheriff's Department's Compton Patrol Station and/or the Sheriff's Department's Communication Center ("SCC").
- 1.4 The Sheriff's Department shall provide the required personnel at Sheriff's Department facilities to perform the duties described in Paragraphs 1.1, 1.2, and 1.3 above. These personnel will not perform these duties at CCPD or the Compton Community College campus, other than as routinely necessary as determined by the Sheriff's Department.

2.0 OPERATING PROCEDURES-SHERIFF'S DEPARTMENT

- 2.1 The Sheriff's Department shall provide a full-time, 24/7 Countywide Dispatch Channel including 24/7 communications support for use by CCPD equivalent to that provided to Sheriff's Department Patrol Stations.
- 2.2 The Sheriff's Department shall provide a Countywide L-Tac Channel for use by CCPD.
- 2.3 The Sheriff's Department shall provide access to the Sheriff's Department's radio room dispatchers. The Sheriff's Department radio room dispatchers shall provide voice dispatching and support in the same manner as provided to Sheriff's Department patrol stations.
- 2.4 During normal operating conditions, the Sheriff's Department shall assign CCPD to the same Dispatch Channel and Countywide L-Tac Channel as that of the Sheriff's Department's Compton Patrol Station.
- 2.5 In the event of an emergency, i.e. vehicle/foot pursuit, officer involved shooting, or officer involved in fight, the Sheriff's Department shall provide a radio room dispatcher, supervisor, and watch commander to monitor and provide communications support to CCPD personnel.
- 2.6 The Sheriff's Department shall allow CCPD to reserve mutual aid channels and other tactical channels when available and provide CCPD with the written procedures and protocols for reserving these channels.
- 2.7 The Sheriff's Department shall provide CCPD with access to the Countywide emergency trigger channel.
- 2.8 The Sheriff's Department shall provide CCPD with field unit call identifiers consistent with the Sheriff's Department numeration structure. Unless otherwise determined, CCPD will be assigned unique identifiers under the Sheriff's Department's Compton Patrol Station's identifier group.
- 2.9 The training for CCPD personnel to access Sheriff's Department communications systems (radio and CAD) will be provided by Sheriff's Department personnel at the prevailing overtime rates.

3.0 OPERATING PROCEDURES-COMPTON COLLEGE POLICE DEPARTMENT

- 3.1 CCPD shall adhere to Sheriff's Department radio policies and procedures at all times.
- 3.2 CCPD shall use the Sheriff's Department radio codes for radio communications as a matter of routine. Sheriff's Department radio codes and statistical clearance codes shall be used for all MDC/CAD use. These codes are established in the Statistical Code Guide and Radio Code Book (SH-R-316).
- 3.3 In the event of a County-wide radio failure, the Sheriff's Department's Compton Patrol Station will assume dispatch responsibility for CCPD personnel, as directed by the Sheriff's Department. Established SCC fallback procedures shall be followed.
- 3.4 CCPD shall designate a watch commander, or officer in charge ("OIC"), 24/7. The CCPD watch commander or OIC shall be the incident commander for CCPD, and the Sheriff's Department radio room personnel shall provide communications support.
- 3.5 Per Sheriff's Department policy and procedures, during a CCPD vehicle or foot pursuit, the CCPD watch commander or OIC shall immediately establish communications with the Sheriff's Department's radio room watch commander via the CCPD/Sheriff's Department telephone line connection or via the radio channel. The CCPD watch commander or OIC shall be in command of the incident, and the Sheriff's Department radio room watch commander shall provide communications support as directed by the CCPD watch commander or OIC.
- 3.6 CCPD hand held radios shall be equipped with the emergency button feature. When depressed, this button shall transmit a signal to SCC and display the CCPD Automatic Identification ("AID"). It shall be the responsibility of CCPD to supply a list of AID assignments to the Sheriff's Department. It shall be the responsibility of the CCPD officer requesting assistance to provide the correct information to the Sheriff's Department radio room dispatcher on the following:

Assistance

Location addresses or cross streets
Nature of incident

- 3.7 Requests for assistance shall be deemed emergent and broadcasted immediately. The use of plain language is encouraged. Sheriff's Department radio room dispatchers will use a controlled response and will relay pertinent information to the appropriate law enforcement agency in the event of an emergency or call for assistance.
- 3.8 CCPD shall provide the Sheriff's Department with a CCPD personnel roster which will contain the radio identifier and contact numbers for each CCPD personnel assigned a hand held radio. This will enable Sheriff's Department radio room dispatchers an additional avenue to make contact with an officer in the field (e.g. an emergency trigger activation wherein the officer does not respond to the radio). The roster shall be maintained and updated at least quarterly by CCPD.
- 3.9 Prior to using Sheriff's Department communications systems, CCPD is responsible for logging on all active CCPD field units through MDCs or a CAD terminal. CCPD is also responsible for logging off all active field units at the conclusion of the field units' shifts.
- 3.10 CCPD field units shall be responsible for clearing unit logs on an MDC or at a CAD terminal if they create entries that require additional information for clearance other than a status entry.

4.0 PUBLIC SAFETY EQUIPMENT USE

- 4.1 The County, through the Sheriff's Department, hereby transfers the public safety equipment set forth on Attachment B (Dispatching and Communications Services Rates, Equipment Use Rates, and Service Level Authorization), of this Agreement ("Equipment") for the exclusive use of CCPD during the term of the Agreement.
- 4.2 CCPD may use the Equipment for any lawful purpose, including use in connection with public safety activities in all areas under CCPD's jurisdiction.
- 4.3 CCPD shall not use or operate the Equipment in violation of any federal, state, or local law, rule, regulation, or ordinance.

- 4.7 The Sheriff's Department shall retain ownership of the Equipment used by CCPD during the term of the Agreement. Legal title to the Equipment is, and shall, at all times, remain in the name of the Sheriff's Department. The Equipment shall not be transferred or delivered by CCPD to any persons other than the Sheriff's Department without the Sheriff's Department's prior written consent.
- 4.8 CCPD agrees to indemnify, defend, and hold harmless the Sheriff's Department from any and all liability, losses, or damages the Sheriff's Department may suffer and from any claims, demands, costs, or judgments against the Sheriff's Department arising out of CCPD's use or operation of the Equipment. This indemnification does not extend to (1) any liability resulting from inherent defects or malfunctions in such Equipment related to manufacturer's acts or omissions, or (2) negligent or wrongful maintenance or repair of the Equipment provided by the Sheriff's Department.
- 4.9 CCPD shall assume all risk of loss to the Equipment from the time it is delivered by the Sheriff's Department to CCPD, and inspected and accepted by CCPD, until (1) the Equipment is returned to the Sheriff's Department upon expiration or termination of the Agreement, or (2) the Sheriff's Department regains temporary possession of the Equipment for purposes of providing maintenance and repair.

- 4.11 In the event of damage to the Equipment or the Equipment is in need of repair, CCPD shall notify the Sheriff's Department to that effect and follow such instructions that may provide with respect to repair or disposal of the Equipment. If the Equipment is lost, stolen, destroyed, or declared to be a total constructive loss (subject to the Sheriff's Department agreement as to such condition), CCPD shall properly notify the Sheriff's Department thereof and hold any Equipment

for disposal by the Sheriff's Department. With respect to any loss, theft, or destruction of the Equipment, the Sheriff's Department and CCPD shall negotiate the value for comparable equipment in a condition similar to the lost, stolen, or destroyed Equipment immediately prior to any such loss. CCPD shall reimburse the Sheriff's Department for the value of the lost, stolen, or destroyed Equipment.

5.0 EQUIPMENT MAINTENANCE AND TESTING

- 5.1 The Sheriff's Department shall perform all maintenance and repairs required for the proper operation of the Equipment. Except as otherwise set forth herein, such maintenance and repairs are provided in exchange for CCPD's payment of the annual billing rates set forth on Attachment B (Dispatching and Communications Services Rates, Equipment Use Rates, and Service Level Authorization) of the Agreement. CCPD has the right to inspect said Equipment prior to acceptance of the Equipment following maintenance and repairs by the Sheriff's Department.

- 5.4 CCPD shall inspect the Equipment upon initial delivery and return from the Sheriff's Department following maintenance and repair, and, by acceptance thereof, finds the Equipment in good working order and condition.
- 5.5 The Equipment shall be maintained and repaired solely by the Sheriff's Department. CCPD and any of its third party vendors are prohibited from performing any maintenance and repairs on the Equipment.
- 5.6 All regularly scheduled maintenance shall be performed by the Sheriff's Department, and CCPD shall timely present the Equipment to the Sheriff's Department for the performance of regularly scheduled maintenance at the direction of, and in accordance with the policies and procedures of, the Sheriff's Department's Communications and Fleet Management Bureau. The Sheriff's Department shall make every effort to perform any maintenance in a timely manner.
- 5.7 Any Equipment requiring maintenance and repair by the Sheriff's Department for any extended length of time, as determined by the Sheriff's Department's Communications and Fleet Management Bureau, may, at the sole discretion of the Sheriff's Department, receive a temporary replacement piece of Equipment. All terms and conditions set forth herein shall apply to the CCPD's use of any temporary replacement Equipment provided by the Sheriff's Department. The

- 3.2 CCPD shall use the Sheriff's Department radio codes for radio communications as a matter of routine. Sheriff's Department radio codes and statistical clearance codes shall be used for all MDC/CAD use. These codes are established in the Statistical Code Guide and Radio Code Book (SH-R-316).

With respect to any loss, theft, or destruction of the Equipment, the Sheriff's Department and CCPD shall negotiate the value for comparable equipment in a condition similar to the lost, stolen, or destroyed Equipment immediately prior to any such loss.
