1.		Oppose	Monisha Parker	<p>Dear Supervisor Lindsey P. Horvath,</p> <p>I am writing to express my strong opposition to the appointment of Patricia Giggans to the Sheriff Civilian Oversight Commission. I believe that her past history with the former Sheriff makes her a poor fit for this important role.</p> <p>It raises questions about her ability to provide unbiased oversight and hold law enforcement accountable.</p> <p>Furthermore, if you choose to support Patricia Giggans for this position, it may have negative consequences for you in the upcoming elections. The people in your district will not forget if you align yourself with someone who is not seen as a champion for transparency and accountability in law enforcement.</p> <p>Our democracy relies on the integrity of our institutions and the trust of the public. By appointing someone with a questionable history to the oversight commission, you risk undermining that trust and eroding the credibility of the commission.</p> <p>I urge you to reconsider your support for Patricia Giggans and instead choose a candidate who is truly committed to promoting transparency, accountability, and justice within the Sheriff's Department.</p> <p>Thank you for your attention to this important matter.</p> <p>Sincerely,</p> <p>Monisha Parker</p>
		Other	Lionel Mares	I urge the Board of Supervisors to vet all political appointees to Commissions, Committees and or Special Districts.
