| 62. | | Oppose | Monisha Parker | <p>Dear Supervisors,</p> <p>I am writing to express my strong opposition to Item 62, which proposes to invest in Toyota trucks. I believe that Toyota does not offer the best car warranty compared to other brands in the market.</p> <p>The Fire Chief did not conduct thorough research on Toyota trucks and their recall history. I urge you to visit the National Highway Traffic Safety Administration website (nhtsa.gov/vehicle/2024) to see that there are several trucks from other brands that have not been recalled in 2024. Some examples include the 2024 Chevrolet Colorado ZR2 Bison, 2024 Ford F-150 (Super Crew) HEV, and 2024 Kia Niro Plug-In Hybrid.</p> <p>I believe that it is important to consider all available options before making a decision on which trucks to invest in for our department. It is crucial to prioritize the safety and reliability of our vehicles, and I do not believe that Toyota trucks meet these standards.</p> <p>Thank you for considering my perspective on this matter. I urge you to reconsider Item 62 and explore other options for the vehicle fleet.</p> <p>Sincerely, Monisha Parker</p> |
