69.		Oppose	Monisha Parker	<p>Dear Supervisor,</p> <p>I hope this letter finds you well. I am writing to express my strong opposition to Item 69 on the Helicopter Law Enforcement Services Agreement. After reviewing the proposal, I have serious concerns about the lack of thorough research conducted by the Sheriff's Department regarding the cost of the helicopter.</p> <p>It is evident that the Sheriff's Department did not explore all available options when considering the purchase of a new helicopter. There are reputable companies such as Enstrom Helicopter Corporation, Bell Flight, and MD Helicopters that offer competitive prices and high-quality products. It is crucial that we take the time to compare prices and features before making such a significant investment.</p> <p>I urge you to reconsider Item 69 and request that the Sheriff's Department conduct a more comprehensive analysis of the cost of the helicopter. It is essential that we make informed decisions that are in the best interest of our community and taxpayers.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely,</p> <p>Monisha Parker</p>
