31.		<b>Oppose</b>	Monisha Parker	<p>Dear Supervisor,</p> <p>I am writing to express my opposition to item 31 of the Shower Program at the Rose Avenue Parking Lot. I believe that the Board of Supervisors should consider purchasing Portable Toilets with Showers, Shower Curtain Style for the homeless population instead. This would allow them to have access to these facilities 7 days a week, as opposed to just 2 days a week.</p> <p>I believe that providing Portable Toilets with Showers, Shower Curtain Style would greatly benefit the homeless community by offering them a safe and hygienic place to clean themselves regularly. Additionally, having these facilities available every day would help to improve the overall health and well-being of those experiencing homelessness.</p> <p>I urge you to consider this alternative solution and allocate funds towards purchasing Portable Toilets with Showers, Shower Curtain Style for the homeless population. By doing so, we can make a positive impact on the lives of those in need and provide them with the resources they require to maintain their dignity and hygiene.</p> <p>Thank you for considering my perspective on this matter.</p> <p>Sincerely, Monisha Parker</p> <p><a href="http://cheryindustrial.com/products/as-is-portable-toilets-with-shower-shower-curtain-style">cheryindustrial.com/products/as-is-portable-toilets-with-shower-shower-curtain-style</a></p>
