Dear Supervisors:

**WATER RESOURCES CORE SERVICE AREA  
SANTA MONICA BAY BEACHES BACTERIA TOTAL MAXIMUM DAILY LOADS  
COORDINATED SHORELINE MONITORING PLAN  
MEMORANDUM OF AGREEMENT BETWEEN THE CALIFORNIA DEPARTMENT OF  
TRANSPORTATION; CITIES OF AGOURA HILLS, CALABASAS, EL SEGUNDO,  
HIDDEN HILLS, LOS ANGELES, MALIBU, SANTA MONICA, THOUSAND OAKS,  
AND WESTLAKE VILLAGE; COUNTY OF LOS ANGELES; AND  
LOS ANGELES COUNTY FLOOD CONTROL DISTRICT  
(SUPERVISORIAL DISTRICTS 2, 3, AND 4)  
(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval to authorize the Director of Public Works or his designee, on behalf of the County of Los Angeles, and the Chief Engineer of the Los Angeles County Flood Control District or his designee to execute a Memorandum of Agreement between the California Department of Transportation; Cities of Agoura Hills, Calabasas, El Segundo, Hidden Hills, Los Angeles, Malibu, Santa Monica, Thousand Oaks, and Westlake Village; County of Los Angeles; and Los Angeles County Flood Control District to provide for the County of Los Angeles' share in the costs of implementing the Coordinated Shoreline Monitoring Plan required by the Santa Monica Bay Beaches Bacteria Total Maximum Daily Loads, provided that the total cost for the County of Los Angeles is a not-to-exceed amount of \$1 million and the total cost for the Los Angeles County Flood Control District is a not-to-exceed amount of \$300,000.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the proposed actions are not a project under the California Environmental Quality Act for

reasons stated in this Board letter.

2. Authorize the Director of Public Works or his designee, on behalf of the County of Los Angeles, to execute a Memorandum of Agreement between the California Department of Transportation; Cities of Agoura Hills, Calabasas, El Segundo, Hidden Hills, Los Angeles, Malibu, Santa Monica, Thousand Oaks, and Westlake Village; County of Los Angeles; and Los Angeles County Flood Control District to share in the costs of implementing the Santa Monica Bay Beaches Bacteria Total Maximum Daily Loads Coordinated Shoreline Monitoring Plan for a total County of Los Angeles cost not to exceed \$1 million.

3. Authorize the Director of Public Works or his designee, on behalf of the County of Los Angeles, to execute any necessary amendments, including extensions of term, to in kind Memorandums of Agreement, provided that any amendments do not increase the amount of the County of Los Angeles' funding contribution by more than 10 percent, which is included in the not-to-exceed amount of \$1 million.

**IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Find that the proposed actions are not a project under the California Environmental Quality Act for reasons stated in this Board letter.

2. Authorize the Chief Engineer of the Los Angeles County Flood Control District or his designee to execute a Memorandum of Agreement between the California Department of Transportation; Cities of Agoura Hills, Calabasas, El Segundo, Hidden Hills, Los Angeles, Malibu, Santa Monica, Thousand Oaks, and Westlake Village; County of Los Angeles; and Los Angeles County Flood Control District to share in the costs of implementing the Santa Monica Bay Beaches Bacteria Total Maximum Daily Loads Coordinated Shoreline Monitoring Plan for a total Los Angeles County Flood Control District cost not to exceed \$300,000.

3. Authorize the Chief Engineer of the Los Angeles County Flood Control District or his designee to execute any necessary amendments, including extensions of term, to in kind Memorandums of Agreement, provided that any amendments do not increase the amount of the Los Angeles County Flood Control Districts' funding contribution by more than 10 percent, which is included in the not-to-exceed amount of \$300,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to find that the proposed Memorandum of Agreement (MOA), in a form substantially similar to the enclosed, is exempt from the California Environmental Quality Act (CEQA); authorize the Director of Public Works or his designee, on behalf of the County of Los Angeles, and the Chief Engineer of the Los Angeles County Flood Control District or his designee to execute the MOA between the California Department of Transportation; Cities of Agoura Hills, Calabasas, El Segundo, Hidden Hills, Los Angeles, Malibu, Santa Monica, Thousand Oaks, and Westlake Village; County; and District (collectively known as "Parties") to implement the water quality monitoring required by the Santa Monica Bay Beaches Bacteria Total Maximum Daily Loads (SMBBB TMDL) Coordinated Shoreline Monitoring Plan (CSMP) for a total County cost not to exceed \$1 million and a total District cost not to exceed \$300,000; and authorize the Director of Public Works or his designee and the Chief Engineer or his designee to execute any necessary amendments to the MOA, provided that any amendments related to costs are budgeted and do not

increase the County and District's total costs for this plan by more than 10 percent, which is included in their not-to-exceed amounts.

On June 10, 2014, the Board adopted a resolution that authorized the Director of Public Works to execute an MOA, including necessary amendments, with the City of Los Angeles to implement the CSMP for the SMBBB TMDL. The recommended actions stated above increase the delegated authority to reflect rising costs associated with water quality monitoring activities and provide continuous collection of monitoring data as required by the SMBBB TMDL and the National Pollutant Discharge Elimination System Municipal Separate Storm Sewer System Permit throughout the greater Santa Monica Bay.

### **Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal D, Sustainability, Strategy iii, Natural Resources, and Strategy iv, Environmental Justice; and Focus Area E, Economic Health, Strategy i, Community-Based Institutions and Organizations, by developing cooperative partnerships with local agencies to reduce costs and leverage resources for water quality monitoring activities in compliance with the National Pollutant Discharge Elimination System Municipal Separate Storm Sewer System Permit, which improves stormwater quality and increases local water supply.

### **FISCAL IMPACT/FINANCING**

The County's not-to-exceed cost-share contribution of \$1 million per MOA term will include the implementation of the SMBBB TMDL CSMP monitoring. Funding for the implementation of the SMBBB TMDL CSMP is included in the Public Works General Fund (A01, Other Charges) Fiscal Year 2024-25 Budget. Funding for the MOA and amendments for subsequent fiscal years will be requested through the annual budget process.

The District's not-to-exceed cost-share contribution of \$300,000 per MOA term will include the implementation of the SMBBB TMDL CSMP monitoring. Funding for the implementation of the SMBBB TMDL CSMP is included in the Flood Fund (B07, Other Charges) Fiscal Year 2024-25 Budget. Funding for the MOA and amendments for subsequent fiscal years will be requested through the annual budget process.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County and the District have been identified in the SMBBB TMDL as responsible agencies. An MOA will be executed with the Parties to conduct the required water quality monitoring for a maximum 5-year term, with an option to extend the MOA term for an additional year. The MOA will be substantially similar to the enclosed sample agreement and will be approved as to form by County Counsel prior to execution by the Director of Public Works or his designee and the Chief Engineer or his designee.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed actions are statutorily exempt from CEQA because they are activities that are excluded from the definition of a project by Section 15262 of the CEQA Guidelines. The proposed MOA, which includes funding for the continued implementation of the SMBBB TMDL CSMP, involves feasibility and planning studies for possible future actions, which have not been approved, adopted,

The Honorable Board of Supervisors

9/10/2024

or funded and, therefore, are statutorily exempt from CEQA. Further, the proposed activities do not include the adoption of a plan that will have a legally binding effect on later activities. Public Works will return to the Board for approval of any projects recommended as a result of the CSMP process, along with the appropriate environmental documentation.

Upon the Board's approval of the recommended actions, Public Works will file a Notice of Exemption with the County Clerk in accordance with Section 15062 of the CEQA Guidelines.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no negative impact on current services or projects as a result of the recommended actions.

**CONCLUSION**

Please return one adopted copy of this letter to Public Works, Stormwater Quality Division.

Respectfully submitted,

MARK PESTRELLA, PE

Collectively, these entities shall be known herein as “PARTIES” or individually as “PARTY”.

#### RECITALS

WHEREAS, on January 24, 2002, the California Regional Water Quality Control Board, Los Angeles Region (“Regional Board”) adopted Resolution No. 2002-004, establishing the limit for the Total Maximum Daily Loads (“TMDLs”) for bacteria during dry-weather for Santa Monica Bay Beaches; and

WHEREAS, on December 12, 2002, the Regional Board adopted Resolution No. 2002-022, establishing the limit for the TMDLs for bacteria during wet-weather for Santa Monica Bay Beaches; and

WHEREAS, on March 11, 2021, the Regional Board adopted Resolution No. R21-001, extending the compliance deadline for the TMDLs for bacteria during wet-weather for Santa Monica Bay Beaches; and

WHEREAS, Resolution No. 2002-04, Resolution No. 2002-022, and Resolution No. R21-001, collectively referred to herein as the “Bacteria TMDLs,” became effective on May 24, 2022; and

WHEREAS, the Bacteria TMDLs address documented bacteriological water quality impairments at forty-four (44) beaches from the Los Angeles/Ventura County line (to the northwest) to Outer Cabrillo Beach (just south of the Palos Verdes Peninsula); and

WHEREAS, the Regional Board adopted National Pollutant Discharge Elimination System Municipal Separate Storm Sewer System Permit Order No. R4-2021-0105 (“MS4 Permit”) on July 23, 2021; and

WHEREAS the MS4 Permit became effective on September 11, 2021 and requires that the COUNTY, LACFCD, 85 cities within the coastal watersheds of Los Angeles County, the Ventura County Watershed Protection District, the County of Ventura, and 10 cities within Ventura County comply with the prescribed elements of the MS4 Permit, including the provisions of the Santa Monica Bay Beaches Bacteria TMDL; and

WHEREAS, the Bacteria TMDLs identify as responsible agencies and jurisdictions the PARTIES, and the following agencies not participating in this MOA: Hermosa Beach, Redondo Beach, Manhattan Beach, Torrance, Rancho Palos Verdes, Palos Verdes Estates, Rolling Hills, Rolling Hills Estates, and the County of Ventura.

WHEREAS, a monitoring plan entitled, “Santa Monica Bay Beaches Bacterial TMDLs’ Coordinated Shoreline Monitoring Plan” (Coordinated Monitoring Plan) was prepared by the responsible agencies and jurisdictions, and approved by the Regional Board on April 28, 2004; and

WHEREAS, the PARTIES responsible for the cost share of shoreline monitoring, performed by L.A. CITY’S Environmental Monitoring Division (“EMD”), are listed in Exhibit “A”; and

WHEREAS, in 2017, the PARTIES entered an agreement with L.A. CITY to continue implementation of the Coordinated Monitoring Program, and said agreement expired on June 30, 2022; and

WHEREAS, the PARTIES entered into a 12-month extension of said agreement, which expired on June 30, 2023; and

WHEREAS, L.A. CITY has the expertise and equipment to perform monitoring services consistent with the Coordinated Monitoring Plan (hereinafter referred to as “Monitoring Services”); and

WHEREAS, the PARTIES desire to enter into a new agreement to continue the Monitoring Services being performed by L.A. CITY and agree that this MOU is retroactively effective to July 1, 2023; and

WHEREAS, the PARTIES have agreed to provide their share of funding to the L.A. CITY for the its performance of Monitoring Services on behalf of the PARTIES at locations identified in Exhibit "A" of this MOA, and L.A. CITY is willing to provide the Monitoring Services and to be reimbursed in accordance with Article IV and Exhibit "B" of this MOA.

NOW, THEREFORE, in consideration of the mutual benefits to be derived by the PARTIES, and of the promises contained in this MOA, the PARTIES agree as follows:

#### ARTICLE I – Purpose of MOA

1. Purpose. The purpose of this MOA is to memorialize the PARTIES' payment for and performance of Monitoring Services that are consistent with the provisions of the Coordinated Monitoring Plan and the Bacteria TMDLs.
2. Santa Monica Bay Beaches Bacterial TMDLs Coordinated Shoreline Monitoring Plan ("Coordinated Monitoring Plan"). The approved Coordinated Monitoring Plan identifies three monitoring agencies to perform sampling and analysis of the shoreline monitoring stations along the Santa Monica Bay. Exhibit "A" shows monitoring stations that are assigned to L.A. CITY'S EMD to be monitored at the specified frequency.

#### ARTICLE II – Responsibilities of L.A. CITY

1. Monitoring. L.A. CITY will perform all Monitoring Services consistent with the time frames set forth in the Coordinated Monitoring Plan and Bacteria TMDLs at locations as indicated in Exhibit "A" on behalf of the specified PARTIES. L.A. CITY'S EMD will perform tasks assigned to it as outlined in the Coordinated Monitoring Plan, including but not limited to: sample collection and analysis, data management, reporting, purchasing and maintaining equipment necessary for monitoring, as well as following all standard operating procedures and quality assurance/quality control objectives. Any tasks beyond the scope of the Coordinated Monitoring Plan (e.g. bacteria source tracking and investigation) are not included in this MOA and are the sole responsibility of the respective PARTIES.
2. Cost per monitoring location. L.A. CITY, in consultation with the PARTIES, has established each PARTY's share of costs for the Monitoring Services based on its jurisdictional land area as set forth in Exhibit "A." The cost allocation percentages among PARTIES and the estimated cost for each monitoring location are shown in Exhibit "A," which is incorporated herein by this reference.

3. Reports. L.A. CITY will submit monitoring reports to the Regional Board each month and forward a copy to the PARTIES.
4. Exceedance. L.A. CITY will conduct accelerated monitoring according to the existing protocol of the Los Angeles County Department of Public Health (formerly known as Department of Health Services), at each location where an exceedance of a limit in the Bacteria TMDLs is detected. An exceedance will be determined according to the Coordinated Monitoring Plan. L.A. CITY will provide additional accelerated monitoring at the request of any PARTY, subject to available resources and funding. Additional costs arising from such request will be documented and added to the annual invoice of the requesting PARTY. This MOA does not include any research or investigation of the reason(s) or source(s) that caused the exceedance.

### ARTICLE III – Responsibilities of the PARTIES

1. Documentation. The PARTIES agree to promptly provide at no cost to L.A. CITY all requested non-confidential information and documentation in their possession that L.A. CITY, in its discretion, deems to be necessary or helpful for the performance of the Monitoring Services.
2. Grant of Access Rights. During the term of this MOA, the PARTIES shall grant L.A. CITY or its consultant(s), without charging any access or permitting fees, reasonable access and entry to their storm drains, channels, catch basins, and similar properties to achieve the purposes of this MOA, on an as needed basis. Prior to entering any PARTY's facility, L.A. CITY shall obtain all necessary permits and except during an emergency, provide that PARTY with a written notice 72 hours in advance of entry. L.A. CITY shall indemnify, defend and hold harmless the PARTIES and their elected and appointed officers, employees, and agents, from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert fees), arising from or connected with L.A. CITY's entry onto a PARTY's facility. This indemnification is in addition to the other indemnities made herein.
3. Cost Reimbursement. The PARTIES agree to pay L.A. CITY annually for the Monitoring Services as shown in Exhibit "B", incorporated herein by this reference, including systematic weekly or daily monitoring, and accelerated monitoring in accordance with Article IV herein.
4. Commitment. Once effective, the PARTIES agree to uphold the promises contained in this MOA for the duration of the agreed upon term. The PARTIES agree that costs, expenses, fees, liabilities, and obligations incurred by L.A. CITY in performing Monitoring Services prior to the execution date of this MOA but after

July 1st, 2023, shall be subject to cost-sharing under this Agreement according to the amounts specified in Exhibit “B” and shall be included in the first invoice.

#### ARTICLE IV – Invoice and Payment

1. Invoicing. L.A. CITY will invoice all PARTIES for the annual payment in July of each year for the term of this MOA, beginning July 2023, or upon the execution of this MOA, whichever is later. The PARTIES hereby acknowledge and ratify services performed on or after the earlier of July 1st, 2023 or the date of the last signature of the PARTIES that are performed in accordance with the terms and conditions of this MOA. Such services shall be included in the first invoice and reimbursable pursuant to this MOA.
2. Annual Payment. The PARTIES shall pay L.A. CITY for the respective share of cost for Monitoring Services as shown in Exhibit “B” within 60 days of receipt of the invoice from L.A. CITY. The total annual monitoring costs shown in Exhibit “B” are estimates that have been agreed upon amongst L.A. CITY and the PARTIES listed in Exhibit “A.” The Annual Payment will be increased by 3% for inflation annually, beginning Fiscal Year 2024-25.
3. Contract Management Fee. Exhibit “B” includes a 10% Administration Fee for administration of this MOA by L.A. CITY. Each PARTY will be assessed its proportionate share of the annual Contract Management Fee as shown in Exhibit “B.”
4. Late Payment Penalty. Any payment that is not received within sixty (60) days following receipt of the invoice from L.A. CITY shall be subject to a late payment of 10%. Interest on any late payments shall accrue at the rate of 1% per month for each month a payment is past due.
5. Delinquent Payments. A payment not made within three hundred and sixty-five (365) days after receipt of the invoice from L.A. CITY shall result in L.A. CITY notifying the Regional Board and the PARTIES that the delinquent PARTY is no longer a participating member of this MOA. The PARTY shall be deemed to have withdrawn from this MOA and the remaining PARTIES' cost share allocation shall be adjusted in accordance with the cost allocation formula in Exhibit “A.” Withdrawal shall not relieve a PARTY’s obligation to pay its proportionate share of costs that were due at the time of the deemed withdrawal.

#### ARTICLE V – Term of MOA

1. This MOA shall become retroactively effective to July 1, 2023 upon execution by all PARTIES and it shall remain and continue in effect until June 30, 2028.

2. During the unexpired term of this MOA, L.A. CITY may negotiate with the other PARTIES, in good faith, modifications to the MOA that may be reasonably necessary because of any of the following changed circumstances:
  - a. There is a material change in the regulatory framework for stormwater and urban runoffs.
  - b. There is a proposed change, either addition or deletion of monitoring locations, tests, and frequency of tests.
  - c. There is a material change in the cost of providing monitoring in the approved locations.

To authorize any MOA modification deemed reasonably necessary without an amendment to this MOA, the affected PARTY or PARTIES must provide written approval to L.A. CITY. Written approval may be provided by the individuals listed in Exhibit "C" or by a person authorized by the PARTY to provide such approval. If MOA modifications are made in accordance with the above circumstances, no PARTY will be obligated to pay for additional expenditures which exceed 15% of the original estimates in Exhibit "B" without an amendment to this MOA. Any revised cost share allocations shall be adjusted in accordance with the cost allocation formula in Exhibit "A" and "B."

3. Any PARTY may elect to withdraw from this MOA for any reason in whole or in part upon 30-days written notice to the other PARTIES. The withdrawing PARTY shall remain responsible for its proportionate share of the costs for Monitoring Services performed up to the effective date of withdrawal. L.A. CITY shall notify in writing all PARTIES within fourteen (14) days of receiving written notice from any PARTY that intends to withdraw from this MOA. If one of the PARTIES elects to withdraw from cost sharing of Monitoring Services before the end of the term of this MOA, the remaining cost share may be distributed among the other PARTIES based on the existing cost allocation formula, subject to advance written amendment of Exhibits "A" and "B" agreed upon by the remaining PARTIES.
4. This MOA shall continue on a month to month basis after the expiration date as stated in Article V, Section 1 above until a PARTY requests L.A. CITY in writing to cease the Monitoring Services or a new MOA is executed for employing L.A. CITY to perform the Monitoring Services on behalf of the PARTIES, but not to exceed twelve (12) months. The cost for the monthly monitoring shall be one-twelfth of the previous annual cost.

## ARTICLE VI – General Provisions

1. Notices. Any notices, bills, invoices, or reports relating to this MOA, and any request, demand, statement, or other communication required or permitted hereunder shall be in writing and shall be delivered to the representatives of the PARTIES at the addresses set forth in Exhibit “C” attached hereto and incorporated herein by reference. PARTIES shall promptly notify each other of any change of contact information, including personnel changes, provided in Exhibit “C”. Written notice shall include notice delivered via e-mail or fax. A notice shall be deemed to have been received on (a) the date of delivery, if delivered by hand during regular business hours, or by confirmed facsimile or by e-mail; or (b) on the third (3rd) business day following mailing by registered or certified mail (return receipt requested) to the addresses set forth in Exhibit “C.”
2. Administration. For the purposes of this MOA, the PARTIES hereby designate as their respective representatives the persons named in Exhibit “C.” The designated representatives, or their respective designees, shall administer the terms and conditions of this MOA on behalf of their respective entities. Each of the persons signing below on behalf of a PARTY represents and warrants that he or she is authorized to sign this MOA on behalf of such entity.
3. Relationship of the Parties. The PARTIES to this MOA are, and shall at all times remain as to each other, wholly independent entities. No PARTY shall have power to incur any debt, obligation, or liability on behalf of any other PARTY unless expressly provided to the contrary by this MOA. No employee, agent, or officer of a PARTY shall be deemed for any purpose whatsoever to be an agent, employee, or officer of another PARTY.
4. Amendment. The terms and provisions of this MOA may not be amended, modified, or waived, except by an instrument in writing signed by all non-delinquent PARTIES. A PARTY will be considered delinquent if a payment is not made within three hundred and sixty-five (365) days after receipt of the invoice from the CITY per Article IV, Section 5. Such amendments may be executed by those individuals listed in Exhibit “C” or by a person authorized to execute such amendment on behalf of each PARTY.
5. Indemnification.
  - a. Each PARTY shall indemnify, defend, and hold harmless each other PARTY, on a pro rata basis, including its special districts, member agencies, elected and appointed officers, employees, agents, attorneys, and designated volunteers from and against any and all liability, including, but not limited to, demands, claims, actions, fees, costs, and expenses (including reasonable attorneys and expert witness fees), arising from or

connected with their own acts or omissions under this MOA; provided, however, that no PARTY shall indemnify another PARTY for that PARTY's own negligence or willful misconduct.

- b. In the event of third party injury or loss caused by negligence, wrongful act or omission by one or more PARTIES, each such PARTY shall bear financial responsibility in proportion to its percentage of fault as may be agreed to or judicially determined.
  - c. The PARTIES agree that any other liability borne by or imposed upon any PARTY as a result of this MOA shall be limited to the respective PARTY's pro rata cost share applicable to the specific site(s) at issue, as set forth in Exhibit "A."
6. Law to Govern. This MOA is governed by, interpreted under, and construed and enforced in accordance with the laws of the State of California. In the event of litigation related to this MOA, venue in the State Superior Court or Federal District Court shall lie exclusively in the County of Los Angeles.
  7. No Presumption in Drafting. The PARTIES to this MOA agree that the general rule that an MOA is to be interpreted against the party drafting it, or causing it to be prepared shall not apply.
  8. Severability. If any provision of this MOA shall be determined by any court to be invalid, illegal or unenforceable to any extent, the remainder of this MOA shall not be affected and this MOA shall be construed as if the invalid, illegal or unenforceable provision had never been contained in this MOA.
  9. Entire Agreement. This MOA constitutes the entire agreement of the PARTIES to this MOA with respect to the subject matter hereof.
  10. Waiver. Waiver by any PARTY to this MOA of any term, condition, or covenant of this MOA shall not constitute a waiver of any other term, condition, or covenant. Waiver by any PARTY to this MOA of any breach of the provisions of this MOA shall not constitute a waiver of any other provision, nor a waiver of any subsequent breach or violation of any provision of this MOA.
  11. Counterparts. This MOA may be executed in any number of counterparts, which execution may be by electronic means as defined in Civil Code section 1633.2 and each of which shall be an original, but all of which taken together shall constitute but one and the same instrument, provided, however, that such counterparts shall have been delivered to all PARTIES to this MOA.

12. Cooperation, Further Acts. The PARTIES shall cooperate fully with one another to attain the purposes of this MOA.
13. All PARTIES to this MOA have been represented by counsel in the preparation and negotiation of this MOA. Accordingly, this MOA shall be construed according to its fair language.

IN WITNESS WHEREOF, the PARTIES have caused this MOA to be executed by their duly authorized representatives and affixed as of the date of signature of the PARTIES:
