			Melody Taylor Stark	Please pass. Ageism Awareness Day is an opportunity to draw attention to the impact of ageism in our society and how we can reframe aging in our communities. Ageism refers to stereotypes (how we think), prejudice (how we feel) and discrimination (how we act) toward others or ourselves based on age. It negatively impacts our health and well-being, our financial security and the economy. It exists in many forms, influencing everything from personal interactions to public policy, and impacts us at every age.
