			Monsignor John Moretta	My name is Monsignor John Moretta. I am the Pastor of Resurrection Catholic Church in Boyle Heights. My parish is exactly less than one mile from the previous Exide plant. I support Hilda Solis's proclamation on lead poisoning. As you can see we are one of the neighborhoods that have been polluted by the lead businesses in Vernon since 1923. There is no test as of now that can tell us how much damage the pollution has brought to our young and to our pregnant mothers. You hear anecdotal studies that perhaps our children have low test scores and are and can be prone to violence. No one can tell us. It is as if we are living on a ticking bomb.
