October 08, 2024

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

57 October 8, 2024

EDWARD YEN  
EXECUTIVE OFFICER

**TRANSPORTATION CORE SERVICE AREA**  
**TRAFFIC REGULATIONS IN THE UNINCORPORATED**  
**COMMUNITY OF MALIBOU LAKE**  
**(SUPERVISORIAL DISTRICT 3)**  
**(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval to implement traffic regulations to support traffic safety and enhance traffic flow in the unincorporated community of Malibou Lake.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that adopting traffic regulation orders and posting the corresponding regulatory and advisory signage are categorically exempt from the provisions of the California Environmental Quality Act.
2. Adopt a traffic regulation order establishing an all-way stop control for southbound, eastbound, and westbound traffic at the intersection of Mulholland Highway and Troutdale Drive in the unincorporated community of Malibou Lake.
3. Adopt a traffic regulation order establishing an all-way stop control for southbound, eastbound, and westbound traffic at the intersection of Mulholland Highway and Waring Drive in the unincorporated community of Malibou Lake.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended traffic regulation actions is to adopt traffic regulation orders, which will allow for the corresponding regulatory and advisory signage. Public Works is recommending these actions to support the existing traffic conditions in the vicinity of the replacement bridge at Mulholland Highway at Troutdale Drive. These actions will benefit all users of the various roadways and will support Public Works' transportation priority to improve traffic safety. Requests for the traffic regulations were generated by residents or community groups. The affected area is indicated on the enclosed map (Enclosure A).

## **Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal D, Sustainability, Strategy i, Climate Health, by supporting multimodal transportation investments that improve safety and mobility, reduce traffic congestion, and reduce greenhouse gas emissions.

## **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund. Funding is included in the Road Fund (B03 – Services and Supplies) Fiscal Year 2024-25 Budget to cover the minor costs of installing the necessary signs and markings.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The California Vehicle Code authorizes the Board to implement traffic regulations that are required prior to enforcement by the California Highway Patrol and the Sheriff's Department.

## **ENVIRONMENTAL DOCUMENTATION**

The establishment of the regulations, including the installation of related traffic control devices required to notify the motoring public is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines and Class I(x) 7 of the Environmental Reporting Procedures and Guidelines approved by the Board on November 17, 1987.

## **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Implementation of these traffic controls will have a positive impact by enhancing traffic flow and safety. Upon the Board's approval of the traffic regulation, the corresponding signs and markings will be installed within 16 weeks.

The Honorable Board of Supervisors

10/8/2024

**CONCLUSION**

Please return one adopted copy of this letter to Public Works, Traffic Safety and Mobility Division. Also, please forward adopted copies of this letter to the Sheriff's Department, Parking Enforcement Detail; and the California Highway Patrol's West Valley office.

Respectfully submitted,

MARK PESTRELLA, PE

Director
