The following individuals submitted comments on agenda item:				
Agenda #	Relate To	Position	Name	Comments
56.		Favor	Antonio Mora	I would like the inclusion of #56. Traffic Regulation in the Unincorporated Communities of the east rancho dominguez area.
			Daria H Brooks	Once again, we see that Public Works via the Supervisors is favoring the desire for certain communities to be rid of interlopers parked in recreational vehicles over other unincorporated communities who have been requesting the same protections for many years. Signage prohibiting the parking of vehicles "over 6ft high" pursuant to Title 15 non-conforming vehicle codes should be extended to EVERY unincorporated residential community--NOT just the privileged few. This matter should be reviewed by the Department of Justice for a discrimination lawsuit. West Rancho Dominguez says ALL residential communities deserve protection!
