58.		Favor	Daria H Brooks	Last year, when we in West Rancho Dominguez made a request for disabled person's parking zones in residential neighborhoods, Public Works agents informed us that L. A. County had established a moratorium on granting such parking restrictions. How, then, is Public Works putting forth such a request for East Los Angeles yet denying it to West Rancho Dominguez and East Gardena? This is discriminatory behavior on the part of a taxpayer funded public entity and favors one group of residents over many others.
