Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

54 October 8, 2024

EDWARD YEN  
EXECUTIVE OFFICER

Set: December 10, 2024 @ 9:30 a.m.

**TRANSPORTATION CORE SERVICE AREA  
ANNEXATION AND LEVYING OF ASSESSMENTS FOR  
COUNTY LIGHTING DISTRICTS IN THE UNINCORPORATED  
AREA OF HACIENDA HEIGHTS  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval and authorization to (1) annex Petition No. 56-1221 located in the unincorporated areas of Hacienda Heights to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone; (2) order the levying of assessments for street lighting purposes; and (3) approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to jurisdictional changes.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and record of the action.
2. Approve the Engineer's Report for Petition No. 56-1221, either as filed or as modified, for the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and the levying of assessments within the annexed territory for street lighting purposes. The proposed annexation area is located in the unincorporated area of Hacienda Heights.

3. Adopt the Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone; and Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2025-26 whose area and boundary is identified on the diagram included in the resolution.

4. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territory for street lighting purposes based on the approved Engineer's Report, which establish assessments for the petition area based on land use type with an annual base assessment rate for a single-family residence of \$5 for the Unincorporated Zone of County Lighting District Landscaping and Lighting Act-1.

5. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of Tuesday, December 10, 2024, pursuant to Section 53753 of the California Government Code. The mailed notice will include assessment ballots.

6. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to the California Streets and Highways Code Section 5838.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the annexation and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of existing streetlights necessary to maintain service within the proposed annexation territory.

2. Order changes, if needed, in any matter provided in the Engineer's Report, including changes in the improvements, the proposed diagram, and/or proposed assessments.

3. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.

4. Determine whether a majority protest against the proposed annexation or assessments exists.

5. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in the petition territory where the proposed annexation and levying of assessments have been rejected as a result of a majority protest and refer the matter back to Public Works.

6. If there is no majority protest against the proposed annexation or assessments:

a. Adopt the Resolution Ordering Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, Confirming a Diagram and Assessment and Levying of Assessments within the Annexed Territory for Fiscal Year 2025-26, either as proposed or as modified by the Board. The adoption of the resolution ordering annexation shall constitute the levying of assessments in Fiscal Year 2025-26.

b. Adopt the joint resolutions between the Board and other taxing agencies approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of territory to County Lighting Maintenance District 1687 as approved by the nonexempt taxing agencies.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to annex the library and middle school into the County Lighting Maintenance District. This action ensures that the property owners of the library and middle school will provide their fair share of the funding for the operation and maintenance of the existing streetlights. This action benefits the existing and future residents by ensuring that the County Lighting Maintenance District will maintain the streetlights with the funding from those benefiting properties.

Approval of the recommended actions will find that the project is exempt from the California Environmental Quality Act (CEQA) Guidelines and allow the Board to: (1) annex the territory known as Petition Nos. 56-1221 (La Monde Street – Mesa Robles Drive) to County Lighting Maintenance District (CLMD) 1687, and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone (collectively, County Lighting Districts); (2) levy assessments in Fiscal Year 2025-26 on each lot or parcel lying within the proposed annexed territory based on land use categories that designate usage units on the basis of benefits received; and (3) approve the exchange of property tax revenue between CLMD 1687 and other nonexempt taxing entities whose service areas are subject to the jurisdictional changes.

The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the existing streetlights that benefit the proposed annexation territory. The proposed assessment rate for the proposed annexation territory will be an annual assessment of \$5 per single-family residence within the Unincorporated Zone, with proportionately higher rates for other land uses.

### **Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: North Star 2, Realize Tomorrow's Government Today, Focus Area Goal C, Public Safety, Strategy i, Prevention, Protection and Security. Annexation of the territory to the CLDs will maintain lighting services for the convenience and safety of the motoring public, as well as the safety and security of people and property, which improves the quality of life of Los Angeles County residents.

### **FISCAL IMPACT/FINANCING**

The estimated annual costs for the operation and maintenance of the streetlights within the annexed territory is \$1,768 for CLMD 1687 (Fund F46). Sufficient funding will be included in the Fund F46 Fiscal Year 2024-25 Budget.

In subsequent years, the ongoing operation and maintenance costs of the streetlights within the annexed territory will be funded by the CLMDs share of ad valorem property taxes, supplemented by assessments annually approved by the Board from property owners within this annexed territory. Adoption of the joint resolutions will result in a minimal property tax growth transfer from the affected taxing entities to CLMD 1687, including the following taxing entities governed by the Board: County General Fund, Los Angeles County Public Library, Los Angeles County Road District 4, the

Consolidated Fire Protection District of Los Angeles County, Los Angeles County Flood Control Drainage Improvement Maintenance District, Los Angeles County Flood Control District, and Hacienda Recreation and Park District.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Board previously approved and filed Petition No. 56-1221, adopted a resolution initiating proceedings for the annexation of territory to CLMD 1687, and ordered the Director of Public Works to prepare and file an Engineer's Report for the petitioned territory. The enclosed Engineer's Report was prepared in response to that directive (Enclosure A).

Under California Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by the Board, including the distribution, receipt, and tabulation of ballots at a public hearing. Ballots will be mailed to each property owner within the annexation territory. The assessments will only be levied if the weighted majority of ballots returned are in favor of the assessments.

The enclosed Resolution of Intention to Annex Territory (Enclosure B) must be adopted to set a date for the required public hearing. The Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment. The approval of the enclosed Resolution Ordering Annexation (Enclosure C), the levying of assessments, and the joint resolutions for the exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the existing streetlights in the annexed territory.

The California Revenue and Taxation Code Section 99.01(a)(4) provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The joint resolutions approving and accepting the negotiated exchange of property tax revenues have been approved by nonexempt taxing agencies and are enclosed for your consideration (Enclosure D).

The boundary of the proposed annexation has been reviewed and approved by Public Works and the Assessor in accordance with the requirements of California Government Code Section 58850 et seq. and are on file with Public Works. A copy of the diagram showing the boundary of the proposed annexation area is included in the Engineer's Report prepared for the petition area.

Following the Board's approval of the resolutions for the annexation, levying of assessments, and exchange of property tax revenues, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code Section 54900 et seq. The resolutions have been approved as to form by County Counsel.

## **ENVIRONMENTAL DOCUMENTATION**

The proposed action is categorically exempt from the provisions of CEQA. The project to annex territory to the County Lighting Districts for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301(c) of CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, that specifically include annexations to street lighting districts and installation of streetlights and involves

no expansion of use.

In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The annexation of territory to the County Lighting Districts will result in continued street lighting for this area and will have no impact on other services or projects.

**CONCLUSION**

Please return one adopted copy of this letter and a copy of the signed resolutions to Public Works, Traffic Safety and Mobility Division. Also, please forward one adopted copy of the letter and resolutions to the Assessor, Ownership Services Section; and one to the Auditor-Controller, Tax Division.

Respectfully submitted,

**LOS ANGELES COUNTY PUBLIC WORKS  
ENGINEER'S REPORT  
PETITION NO. 56-1221  
(LA MONDE STREET – MESA ROBLES DRIVE BETWEEN STIMSON AVENUE AND  
DURAZNO DRIVE)**

On June 27, 2023, Item 67, the County of Los Angeles Board of Supervisors adopted a resolution initiating proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of operation and maintenance of eight existing streetlights within the territory proposed for annexation, as shown on the diagram, plan, and specifications attached hereto. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b), of the California Constitution. This report was prepared in response to that directive.

The annual operating cost of \$1,768 for the eight existing 9,500 lumen streetlights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the streetlights of \$5 per parcel for a single-family home with proportionately higher assessments for other land uses, based on the approved Fiscal Year (FY) 2024-25 Annual Engineer's Report for CLD LLA-1), is proposed to be added to the FY 2025-26 tax bill of the property owners whose parcels lie within the boundary of Petition No. 56-1221. Each year thereafter, an annual assessment for the operation and maintenance costs of the streetlights, approved by the Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLMD 1687 is an established street lighting district and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The People's Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of the street lighting in the district. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to order the benefited territory be annexed to County Lighting District LLA-1, Unincorporated Zone, pursuant to California Streets and Highways Code Section 22605.

SECTION 3. The public interest and convenience require and it is the intention of the Board of Supervisors to order the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of street lighting systems proposed within the annexed territory shall be assessed in Fiscal Year (FY) 2025-26 upon each lot or parcel of land lying within the annexed territory in proportion to the estimated benefit received from the proposed street lighting improvements and which should be assessed to pay the expenses of the operation and maintenance of said improvements. An annual Engineer's Report, approved by the Board of Supervisors each fiscal year, establishes the annual base rate assessment for all zones within County Lighting District LLA-1. For FY 2024-25, the annual base rate assessment for the Unincorporated Zone is \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. This annual assessment for the operation and maintenance of existing streetlights

The Engineer's Report prepared for the petitioned territory contains a full and detailed description of the proposed improvements, a description of the lots or parcels of land to be annexed, the estimated costs of operation and maintenance, a diagram of the territory to be annexed, and the recommended assessment on each lot or parcel of land included therein.

SECTION 4. The boundary of the territory proposed for annexation consists of the area shown on the attached map.

SECTION 5. The proposed assessments are subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the area proposed for annexation at least 45 days prior to the date of the public hearing in the form and manner specified by California Government Code Section 53753. The ballots will be weighted by the amount of assessments to be paid by each property owner. The territory will not be annexed, and the proposed assessments will be abandoned if the weighted majority of ballots submitted are opposed to the assessments.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for the levying of assessments shall be taken in accordance with the Landscaping and Lighting Act of 1972 (California Streets and Highways Code Division 15, Part 2) and California Government Code Section 53753.
