EXECUTIVE OFFICER

Dear Supervisors:

**FISH AND WILDLIFE PROPAGATION FUND GRANT AWARDS  
(FOURTH SUPERVISORIAL DISTRICT)  
(3-VOTES)**

**SUBJECT**

Recommend approval to award grant funds from the Los Angeles County Fish and Wildlife Commission to stock fish at La Mirada Community Regional Park, for the 2024 La Mirada Youth Fishing Derby.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve the Fish and Wildlife Propagation Fund Grant request for one thousand pounds of fish, in an amount up to \$2,500.00, to stock fish at the La Mirada Community Regional Park, 13701 South Adelfa Avenue, La Mirada, CA 90638, for the 2024 La Mirada Youth Fishing Derby, scheduled to be held the 2024 calendar year, and sponsored by the Los Angeles County Fourth Supervisorial District.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Commission has determined that the grant request will promote education, conservation and the propagation of fish and wildlife thus benefiting Los Angeles County and the State of California.

At its meeting held on May 29, 2024, the Los Angeles County Fish and Wildlife Commission approved a grant request from the Fourth Supervisorial District, for one thousand pounds of fish, in an amount up to \$2,500.00, to stock fish for the 2024 La Mirada Youth Fishing Derby, to be held at La Mirada Community Regional Park, during the 2024 calendar year.

The La Mirada Youth Fishing Derby is an annual event held to introduce youth living in the urban setting to fishing, conservation, and the maintenance of wildlife, and to establish an appreciation of the environment. The La Mirada Youth Fishing Derby is a free public program and draws children and parents to the event. The event includes a generous lake stocking of catfish, free fishing lessons, and a free pancake breakfast provided by the California State Department of Fish and Wildlife "Fish-N-the-City" program. The Fishing Derby also includes a souvenir photo and awards.

Since 1952, the Commission has supported activities and projects that promote the best methods for the propagation and protection of fish and wildlife in California and the County of Los Angeles. The stocking of fish at County parks and recreation areas supports this endeavor, by providing opportunities and encouraging the sport of fishing to the many residents within the community.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommended actions uphold the County's Strategic Plan Goals to Foster vibrant and resilient communities, by enhancing the community's knowledge and understanding of conservation and the propagation of fish and wildlife (North Star 2.F.iv); Support Efforts to Engage Children and Families: Identify philanthropic and other funding opportunities to extend programs and services for underserved youth and families, including early learning programs and mobile literacy services. In addition, the event will provide a safe and healthy environment increasing accessibility to County cultural, recreational, and learning programs.

The Honorable Board of Supervisors

**FISCAL IMPACT/FINANCING**

There is no impact to the General Fund. The approved expenditure will be charged to the Fish and Wildlife Propagation Fund, which has sufficient funds to cover the cost. The Los Angeles County Fish and Wildlife Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Section 13100 et seq. of the Fish and Game Code establishes guidelines for the expenditure of fines levied for Fish and Game code violations. It includes enhancing fish and wildlife activities including protection, conservation, propagation, and preservation of fish and wildlife.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This Board action enhances the education, conservation and the propagation of fish and wildlife thus benefiting Los Angeles County and the State of California.

Respectfully submitted,

Lee Wax  
Chair
