RESOLUTION NO. 24-209

A RESOLUTION OF THE SOUTH EL MONTE CITY COUNCIL SUBMITTING THE SOUTH EL MONTE LOCALLY-CONTROLLED SERVICES MEASURE TO THE VOTERS AT THE NOVEMBER 5, 2024 GENERAL MUNICIPAL ELECTION, REITERATING THE CITY'S REQUEST THAT THE ELECTION BE CONSOLIDATED WITH OTHER ELECTIONS HELD ON THAT DATE AND TAKING CERTAIN RELATED ACTIONS

WHEREAS, the City relies on its general fund to provide municipal services such as public safety, housing programs, parks/recreation, homelessness prevention, and road repairs; and

WHEREAS, Section 7285.9 of the Revenue & Taxation Code authorizes the qualified voters of the City to approve a transactions and use tax for general purposes by a majority vote of those casting ballots on the tax at an election; and

WHEREAS, such transactions and use taxes are commonly referred to as "local sales taxes" and are separate taxes from the basic one-cent (1%) Bradley-Burns sales and use tax that is levied by every city in California; and

WHEREAS, the City currently levies transactions and use taxes at a combined rate of three-quarters of a cent (0.75%); and

WHEREAS, state law generally caps the combined rate of transactions and use taxes that can be effective within a city at two cents (2.0%); and

WHEREAS, Los Angeles County currently levies transactions and use taxes within the City of South El Monte at a combined rate of two and a quarter cents (2.25%)

WHEREAS, because one and a quarter cents (1.25%) of the combined rate of the County's transactions and use taxes levied within the City count against the two cent cap, the County effectively has blocked the City from adopting additional transactions and use taxes that the City would otherwise be entitled to adopt under state law; and

WHEREAS, revenues from County-imposed transactions and use taxes are controlled by the Los Angeles County Board of Supervisors and spent throughout the County; and

WHEREAS, the County currently imposes a quarter-cent (0.25%) transactions and use tax that was approved in 2017 by the adoption of Measure H; and

WHEREAS, since 2017, approximately \$9.1 million in Measure H taxes have originated in the City of South El Monte, but only \$158,466 of that of that was allocated by the County to the City; and

WHEREAS, the Measure H tax will be expiring by its own terms on September 30, 2027; and

WHEREAS, the County has placed a measure on the November 5, 2024 ballot that would terminate the Measure H tax in 2025; and

WHEREAS, the expiration of the Measure H tax frees up room under the two-cent cap; and

WHEREAS, if the City uses this room under the cap to create a new one-quarter cent (0.25%) transactions and use tax to fund general fund services, the revenue generated by that tax will be locally controlled, available for the priorities important to South El Monte residents, and spent for the benefit of those residents; and

WHEREAS, if the City does not adopt the new tax, then the County could adopt an additional new quarter-cent (0.25%) transactions and tax that would (i) be paid by South El Monte residents but controlled by the County and (ii) block the City's future ability to use the revenue capacity that will be opening under the cap; and

WHEREAS, it is vitally important that, for purposes of the state-imposed rate cap, when the Measure H tax ends, the Measure H tax is replaced by a quarter-cent (0.25%) tax that is locally controlled rather than yet another new quarter-cent (0.25%) tax that will be controlled by the County; and

WHEREAS, on June 11, 2024, by its Resolution No. 24-189, this Council called a general municipal election to be held on November 5, 2024 (the "Election") for the purpose of electing municipal officers; and

WHEREAS, on June 11, 2024, by its Resolution No. 24-190, this Council requested that the Election be consolidated with the Statewide General Election; and

WHEREAS, in order to order to ensure that tax revenues are available for locally-controlled services, this Council desires to submit a measure to the voters at the Election and take certain related actions.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SOUTH EL MONTE DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. Pursuant to Section 9222 of the Elections Code, the ordinance attached hereto as Exhibit "A" and incorporated herein by reference, (the "Ordinance") shall be submitted to the voters at the Election. Attachment "A"
Tax Ordinance

ORDINANCE NO. 1275

AN ORDINANCE OF THE CITY OF SOUTH EL MONTE
ADDING CHAPTER 3.05 TO TITLE 3 OF THE MUNICIPAL
CODE TO IMPOSE A TRANSACTIONS AND USE TAX TO BE
ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF
TAX AND FEE ADMINISTRATION

**THE PEOPLE AND CITY COUNCIL OF THE CITY OF SOUTH EL MONTE DO
HEREBY ORDAIN AS FOLLOWS:**

SECTION 1: Declarations. The People and the City Council find and declare as follows:

- A Section 7285.9 of the Revenue & Taxation Code (the "Code") authorizes the City to levy transactions and use taxes for general purposes that conform with the requirements of the Transactions and Use Tax Law (Section 7251 *et seq.* of the Code) (the "TUT Law").
- B. Section 7251.1 of the TUT Law provides that the combined rate of all transactions and use in any county may not exceed two percent.
- C. Section 7285.92 of the Code provides that the authority of the City to impose a transaction and use tax is subject to this combined rate limitation.
- D. Within the City of South El Monte, the County of Los Angeles currently levies transactions and use taxes at a combined rate of 1.25% that are subject to this combined rate limit.
- E. The City currently levies transactions and use taxes at only 0.75% in combined rates.
- F. Thus, under current law, until a County transactions and use tax that counts against the combined rate limit expires, the City is prevented from having an additional transactions and use tax come into effect.
- G. In 2017, the voters of Los Angeles County approved Measure H, which imposed a 0.25% transactions and use tax within the City.
- H. The Measure H tax will terminate by its own terms on September 30, 2027.
- I. The County Board of Supervisors has placed on the November 5, 2024 ballot a measure, known as Measure A, that will terminate the Measure H tax in 2025.
- J. This means that, no later than October 1, 2027, there will be room within the 2% combined rate limitation for a new 0.25% South El Monte transactions and use tax.

K. If a new 0.25% South El Monte transactions and use tax become effective, then the City and the County will each, within South El Monte, have taxes at a combined rate of 1% that are subject to the combined 2% limit.

L. By equalizing, within the City of South El Monte, the share of the 2% combined limit that is used by City taxes and the share that is used by County taxes, the new 0.25% tax would effectively be replacing the Measure H tax for purposes of the combined limit.

SECTION 2: Amendment. Chapter 3.05 is hereby added to Title 3 of the South El Monte Municipal Code to read as follows:

“Chapter 3.05 Locally-Controlled Services Transactions & Use Tax

3.05.010 Short Title

This chapter shall be known as the City of South El Monte Locally-Controlled Services Transactions and Use Tax Ordinance of 2024. The City of South El Monte hereinafter shall be called "City." This chapter shall be applicable in the incorporated territory of the City.

3.05.020 Operative Date

A. Except as provided by subsection B of this section, "Operative Date" means October 1, 2027.

B. If, as the result of the adoption by Los Angeles County Voters of an ordinance authorized by Section 7286.01 of the Revenue & Taxation Code, or for any other reason, the Measure H Tax terminates prior to September 30, 2027, “Operative Date” shall mean the later of :

(i) the first day of the first calendar quarter commencing after the termination date of the Measure H Tax or

(ii) the first day of the first calendar quarter commencing more than 110 days after the adoption of this chapter, the date of such adoption being as set forth at the bottom of the voter-approved ordinance adding this chapter to this code.

C. For purposes of this section, “Measure H Tax” means the Los Angeles County 0.25% transactions and use tax, first operative on October 1, 2017, that was approved at the March 7, 2017 Election by the voters the County of Los Angeles by their adoption of Measure H.

3.05.030 Purpose

This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3.05.040 Contract with State

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of the transactions and use tax imposed by this chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.05.050 Transactions Tax Rate

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.25% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Chapter.

3.05.060 Place of Sale

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.05.070 Use Tax Rate

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this chapter for storage, use or other consumption in said territory at the rate of 0.25% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.05.080 Adoption of Provisions of State Law

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

3.05.090 Limitation on Adoption of State Law and Collection of Use Taxes

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;
2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.
3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
 - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.
4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

1. "A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.05.100 Permit Not Required

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

3.05.110 Exemptions and Exclusions

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or

participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.05.120 Amendments

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

3.05.130 Enjoining Collection Prohibited

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.05.140 Accountability and Use of Tax Proceeds

Proceeds of the tax imposed by this chapter shall be deposited in the general fund of the City and shall be available for any lawful purpose. Once deposited, such proceeds shall be audited as part of City's annual independent audit of the general fund and shall be accounted for in the City's Consolidated Annual Financial Report.

SECTION 3: INTENT. The intent of this Ordinance is (i) to cause the tax imposed by this ordinance to go into effect on the first day that is legally permissible pursuant to Section 7251.1 of the Revenue & Taxation Code, but no later than October 1, 2027 and (ii) to impose a tax that, once operative, continues without sunset until repealed.

SECTION 4: SEVERABILITY. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 5: ELECTION REQUIRED. This Ordinance shall not become operative unless and until it is approved both (i) by the voters by the City Council by a vote of two thirds of all of its members and (ii) by a majority vote at the November 5, 2024 General Municipal Election.

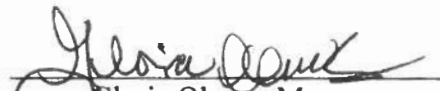

SECTION 6: AMENDMENT. This Ordinance may be amended by the City Council. However, no such amendment can increase the rate of the tax imposed by this Ordinance or make a change that is inconsistent with the laws of the State that govern transactions and use taxes.

SECTION 7: EFFECTIVE DATE. This Ordinance relates to the levying and collecting of a transactions and use tax and shall take effect immediately. However, the operative date for the tax imposed by this Ordinance shall be as set forth in this Ordinance.

SECTION 8: CEQA. The California Environmental Quality Act (CEQA) (Public Resources Code Section §§ 21000 et seq.) and CEQA Guideline 15378(b)(4) provide that the creation of government funding mechanisms or other government fiscal activities that do not involve any commitment to a specific project that may result in a potentially significant physical impact on the environment are not projects subject to the requirements of CEQA. Thus, this Ordinance is exempt under CEQA.
