Favor	Anita Ortiz	I would like to thank Supervisor Hilda Solis for her continued commitment to cultural equity and for her support of the Native American community with Item 16, proclaiming November as Native American Heritage Month. Together we recognize the rich history and contributions of Native communities and emphasize the importance of using county cultural institutions, such as parks, libraries, and museums, to honor Native American communities by providing free access to these spaces. This motion highlights the need for meaningful integration of Native voices in cultural programming and education, ensuring the Native histories and traditions are celebrated. As an Arts Commissioner for LA County, I appreciate that this initiative aligns with our ongoing work to advance cultural equity and reflects our efforts to elevate the arts with diverse perspectives in alignment with the Countywide Cultural Policy Strategic Plan.
