			Jordan Pena	I oppose this project in our community. We already have great public schools. Creating yet another charter school continues to privatize education which removes vital resources that can be used for our local education. Furthermore, This will cause traffic, noise, pollution and lack of parking, in our quiet residential ELA community!! No more charter schools in ELA! Please vote NO on Item 7.
			Larry Reed	"HALT the development plans for 220 residential units on the corner of Marine and Crenshaw in El Camino Village (unincorporated LA County) until further studies have been conducted to assess the impacts the development will have on public health and safety, traffic congestion, street parking, local education, and single home property values.  epicla.lacounty.gov/energov_prod/SelfService/#/plan/0fbc9028-d629-45b4-8c3a-c05e3755df02?tab=attachments  - Permit # RPPL2024002390  - Project # PRJ2024-001599  - ADMINISTRATIVE HOUSING PERMIT # RPPL2024002389"

As a Los Angeles County Probation Officer, I use Evidence Based Practices.

The Board of Supervisors have **EVIDENCE** that Probation is broken due to NO CONSEQUENCES for the minors/adults in our care. We reward BAD behavior.

The BSCC has **EVIDENCE** that Probation can NOT provide the BARE MINIMUM services to the minors/adults in our care. Los Padrinis has been out of compliance 71% of the time.

The Probation Oversight Commission has **EVIDENCE** that Probation LIED about programming and services. Probation claimed programming and services were rendered but video and Commission Kalani reported a different story.

The BOS, BSCC , POC, LACOE and Probation have **EVIDENCE** that SAFETY has NOT been addressed. Officers and teachers are working in a TOXIC and HOSTILE environment. It's an accident waiting to happen. How many officers, staff and minors have to endure this NIGHTMARE?

Los Padrinis is ONLY open because everyone is concerned about **LOSING THE MONEY** the minors/adults provide. There is BLATANT disregard for the safety of the officers! Who wants to go to work to be **ASSAULTED**?

I hereby recommend that Los Padrinis be CLOSED! I say this out of LOVE. I would rather my co-worker be transferred than DEAD.
