The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

AUTHORIZATION TO ACCEPT AND IMPLEMENT A LETTER OF ALLOCATION AND FUTURE LETTERS OF ALLOCATION FROM THE CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES TO SUPPORT THE HEALTH CARE PROGRAM FOR CHILDREN IN FOSTER CARE (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Provide authorization to accept and implement a Letter of Allocation and future Letters of Allocation and/or amendments from the California Department of Health Care Services - Children’s Medical Services Branch to support the Health Care Program for Children in Foster Care.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize and instruct the Director of the Department of Public Health (Public Health), or designee, to accept and implement a Letter of Allocation (LOA), (Exhibit I) from the California Department of Health Care Services (DHCS) Children’s Medical Services Branch to support Public Health’s Health Care Program for Children in Foster Care (HCPCFC), in the total amount of \$22,594,015, for the period of July 1, 2024, through June 30, 2025.
2. Delegate authority to the Director of Public Health, or designee, to accept and implement future LOAs and/or amendments from the DHCS that are consistent with the requirements of the LOA referenced in Recommendation 1, to extend the funding term at amounts to be determined by the DHCS, and/or provide an increase or decrease in funding, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office.
3. Delegate authority to the Director of Public Health, or designee, to accept and implement future amendments that are consistent with the requirements of the LOA referenced above that reflect

revisions to the LOA's terms and conditions to allow for the rollover of unspent funds and/or redirection of funds, subject to review and approval by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of Recommendation 1 will allow Public Health to accept the LOA to support HCPCFC and continue to provide: 1) medical consultations to children's social workers and deputy probation officers for children in foster care and probation settings, 2) health education to caregivers of children and youth in this population, 3) coordination of referrals and follow-up for diagnosis and treatment, and 4) administration and clerical support for the countywide HCPCFC.

HCPCFC is a Public Health Nursing (PHN) program that supports County child welfare service agencies by providing PHN medical, dental, mental health, developmental consultation, and advice to the families of children and youth in out-of-home placements (foster care and probation facilities) and the social workers and other staff who serve them.

Approval of Recommendation 2 will allow Public Health to accept and implement future allocations and/or amendments to the LOA from the DHCS as referenced above that extend the term at amounts determine by DHCS, and/or provide an increase or decrease in funding. This authority is being requested to enhance Public Health's efforts to expeditiously maximize grant revenue, consistent with Board policy 4.070: Full Utilization of Grant Funds.

Approval of Recommendation 3 will allow Public Health to accept future amendments that are consistent with the requirements of the DHCS awards referenced above that reflect non-material or ministerial revisions to the award's terms and conditions and roll over unspent funds, and/or redirection of funds.

Implementation of Strategic Plan Goals

The recommended actions support North Star 1: Priority 1: Child Protection, and Priority 2: Alliance for Health Integration, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Public Health will accept the fiscal year (FY) 2024-2025 State allocation in the amount of \$22,594,015. The HCPCFC allocation is split among four funding categories: \$11,519,671 for Base Allocation; \$2,107,317 for Psychotropic Medication Monitoring and Oversight Allocation; \$5,559,516 for Caseload Relief Allocation; and \$3,407,511 for Administrative Allocation. The funds will support expenditures associated with implementation of the HCPCFC through these predetermined fiscal categories: Base Allocation, Psychotropic Medication Monitoring and Oversight, Caseload Relief, and Administrative Allocation.

Funding is included in Public Health's FY 2024-25 Final Adopted Budget and will be included in future FYs, as necessary.

No additional net County cost is associated with this action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since 1999, State law requires each county to establish a HCPCFC. In Los Angeles County, the HCPCFC is a program comprised of PHNs who provide medical consultations to children’s social workers in the Department of Children and Family Services as well as deputy probation officers in the Probation Department for the benefit of dependents and children in foster care. HCPCFC provides children who are placed in foster care or probation settings and their families with access to a range of integrated medical, dental, developmental, and family support services in a child- and family-centered system. The purpose of HCPCFC is to ensure that children and youth in foster care have access to responsive health care and receive timely health assessments and referrals for treatment services.

These services are distinct from PHN consultations/services provided directly by Public Health nursing staff to children and youth in child welfare services who remain in their homes because they are not court detained.

The Child Health and Disability Prevention (CHDP) program was responsible for accepting and administering HCPCFC funds until it sunsetted on June 20, 2024. Consequently, California Department of Health Care Services has distributed additional allocations of funds resulting from the CHDP closure for administration of HCPCFC as a stand-alone program.

County Counsel has reviewed and approved Exhibit I as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will enable Public Health to continue providing access to medical, dental, developmental, and family support services to children/youth in foster care or probation services and their families throughout Los Angeles County.

TO: HEALTHCARE PROGRAM FOR CHILDREN IN FOSTER CARE
ADMINISTRATORS, MEDICAL CONSULTANTS, AND DEPARTMENT
OF HEALTH CARE SERVICES STAFF

SUBJECT: HEALTH CARE PROGRAM FOR CHILDREN IN FOSTER CARE FISCAL
YEAR 2024-2025 ALLOCATION

The purpose of this letter is to provide Health Care Programs for Children in Foster Care (HPCFC) with their Fiscal Year (FY) 2024-2025 allocation.

This letter serves as each local program's approved state HPCFC budget and enables each local program to use this letter to develop its budget. Budget approval letters will not be issued. Detailed budget information may be found in the Integrated Systems of Care Division (ISCD) Plan and Fiscal Guidelines (PFGs), until the Department of Health Care Services (DHCS) releases the HPCFC Financial Policy and Procedure.

Acceptance of funds constitutes an agreement that the receiving local program and its agency will comply with all federal and state requirements pertaining to the HPCFC program and adhere to all applicable policies and procedures set forth by the California Department of Social Services (CDSS) and DHCS. Periodically, the federal program responsible for oversight of the Medicaid program and related state administrative expenditures, will conduct programmatic audits. Finding of a federal audit exception and subsequent liability for repayment of federal Medicaid funds related to the HPCFC program audit exception, are the exclusive and sole responsibility of each local program.

Each local program remains responsible for overseeing and tracking its expenditures. An audit file must be maintained. At a minimum this audit file should include:

- » Documentation of required time studies, performed during one or more representative months of the fiscal quarter for each budgeted position claimed under Federal Financial Participation (FFP).
- » Documentation in support of claimed expenditures.

July 1, 2024
