Agenda #	Relate To	Position	Name	Comments
11.		Favor	Daria Brooks	We in the unincorporated areas of Rancho Dominguez, Rosewood and East Gardena have HAD IT with the many years of waiting for our representatives to do something about these filthy RVs and the NIGHTLY street takeovers! Supervisor Mitchell claimed to have created a task force to combat these takeovers, and apparently it works well—if you live in the BEACH CITIES, where all of the Sheriff's deputies are patrolling while maniacs tear up our streets and loot our stores. They get protection while we DON'T. These stunt drivers come here from other counties to the unincorporated areas of the 2nd District to commit crimes because they KNOW that we have ZERO PROTECTION. THAT is a crime. We continue to pay taxes yet receive NO services and WE DEMAND CHANGE!
