Favor	Esabella C Rojas	<p>Hello and good morning, on behalf of the Los Angeles Area Chamber of Commerce, we are writing to express our unwavering support of Agenda item 24: Support 88 for 28: Creating a Regional Approach for the 2028 Olympic and Paralympic Games.</p> <p>Los Angeles is the second largest city in the country and we are extremely aware of the work needed for the Los Angeles area to host a successful and unforgettable 2028 Olympic and Paralympic Games. The L.A. Area Chamber applauds Supervisor Horvath for introducing this item.</p> <p>It is critical that the city, county and region develop a regional approach and coordinate planning to ensure an inclusive and safe Games. The business community stands ready to partner with the City, County, and other partners to support convening efforts.</p> <p>The 2028 Olympic and Paralympic Games will provide opportunities across the region for years to come - from job creation to infrastructure development.</p> <p>As the Board considers this motion and plans the convening topics, we respectfully request the Board to include involvement and opportunities for small businesses. The Games will bring economic benefits that will affect many sectors of our local economy. The Chamber is committed to ensuring that the economic benefits of the Games are distributed equitably across our community. As such, the Chamber believes it is important to ensure that all businesses, particularly small and minority-owned enterprises, have access to these opportunities.</p> <p>To fully realize a lasting legacy of opportunity, innovation, and prosperity for all Angelenos, it is vital that the region commits to coordination. Thank you for your leadership and if you have any other questions or comments, please reach out to Esabella Rojas at erojas@lachamber.com or Elissa Diaz at ediaz@lachamber.com</p>
