			Ruthie A Brock	Please accept these articles in opposition to the approval of the 400 MW lithium-ion Hecate Humidor BESS in Acton and opposition to the adoption of the Hecate Humidor LLC Transmission Line Franchise Agreement Ordinance
		Other	Harout Nazarian	As a Sherman Oaks resident, I am in favor of alternatives 4 and 5 for the Sepulveda Transit Corridor. I want to see fully automated, fast, reliable service along this path. I want to see automated platform screen gates and better ticketing gates and booths at our stations to promote safety and efficiency.
			Joanne Rallo	Would like to speak on Superior Court Judge Carla Garrett (Janice Hahn's jurisdiction) and how awareness is needed into the Garrett's courtroom for the legal kidnapping and lack of due process she is enabling in her courtroom. She has already forcibly removed about 10 children (to my knowledge alone) from their protective mothers and forced them to live with their abusive fathers and also grant those abusive fathers full custody even with DCFS investigations that are active and pending. Please allow us to speak on this. Thank you.
