

MOTION BY SUPERVISORS HILDA L. SOLIS

AND LINDSEY P. HORVATH

Expanding Housing Navigation for Transition Aged Youth

High housing costs across the State have driven housing instability and homelessness, which is acutely felt by young people, including those who are in or have been in foster care. Housing stability is critical to the pursuit of higher education, meaningful employment, and self-sufficiency for youth as they transition to adulthood, and it is imperative that children aging out of the child welfare system have access to housing to help set the foundation for future success. Unfortunately, when young people exit foster care, it can be challenging to find resources and housing opportunities, and when there are resources, they are often limited in number. Fortunately, the State of California offers the Transitional Housing Program Plus (THP-Plus), a transitional housing program for young adults who exited foster care, including those supervised by the Probation Department. This program offers housing and supportive services to youth for 36 months or until the age of 25, whichever comes first. Through this program, Transitional Age Youth (TAY) are provided a safe living environment, with the

opportunity to develop the life skills needed to live independently. THP-Plus providers are able to offer apartments, single family dwellings, condominiums, college dormitories, or host family models as part of the program. THP-Plus has been a critical program in the County, and the work has expanded in recent years at the direction of the Board of Supervisors and the hard work of the Department of Children and Family Services (DCFS).

The State of California is offering additional support for these programs under the below three funding sources:

- Round 6 of the Traditional Housing Program: The State of California, Department of Housing and Community Development issued an allocation acceptance form dated October 9, 2024, under Round 6 of the Transitional Housing Program (“THP”), authorized by item 2240-102-0001 of section 2.00 of the Budget Act of 2024 (Chapter 22 of the Statutes of 2024) and Chapter 11.7 (commencing with section 50807) of part 2 of Division 31 of the Health and Safety Code (the “THP Allocation Acceptance Form”).
- Round 3 of the Housing Navigation and Maintenance Program: The State of California, Department of Housing and Community Development issued an Allocation Acceptance form dated October 9, 2024, under Round 3 of the Housing Navigation and Maintenance Program (“HNMP”) authorized by item 2240-103-0001 of section 2.00 of the Budget Act of 2024 (Chapter 22 of the Statutes of 2024) and Chapter 11.8 (commencing with section 50811) of Part 2 of Division 31 of the Health and Safety Code (the “HNMP Allocation Acceptance Form”).
- Round 4 of the THP Plus Housing Supplement Program: The State of California,

Department of Housing and Community Development issued an allocation acceptance form dated October 9, 2024, under Round 4 of the THP Plus Housing Supplement authorized by item 2240-102-0001 of Section 2.00 of the Budget Act of 2024 (Chapter 22 of the Statutes of 2024) and Chapter 11.9 (commencing with HSC 50820) of Part 2 of Division 31 of the Health and Safety Code (collectively, the “Statute”) (the “THP Plus SUP Allocation Acceptance Form”).

This funding would be used to strengthen THP-Plus programs, especially Housing Navigators. These navigators can assist youth with identifying appropriate and available housing options; help them access financial support for move-in costs, such as deposits; and provide stabilization support including budgeting, establishing utilities, and landlord communication. The Housing Navigators Program will be administered by participating counties to fund Housing Navigators to act as housing specialists for young adults ages 18 and up to 24 years of age and will assist with securing and maintaining housing, with priority given to young adults in the foster care system. In addition, Los Angeles County may use the funding to provide housing navigation services directly or through a contract with other housing assistance programs in the County, including the Department of Health Services (DHS) and their network of navigators. The THP allocations will be shared among participating counties for the purpose of housing stability to help young people ages 18 to 25 years old secure and maintain housing through THP-Plus. This is a critical opportunity and Los Angeles County must leverage to support youth previously in foster care.

WE, THEREFORE, MOVE that in order to participate in the State of California THP Round 6, HNMP Round 3, and THP-Plus Housing Supplement Round 4 funding

allocations, the Los Angeles County Board of Supervisors:

- 1) Approve the attached resolution authorizing the DCFS to participate in the THP Round 6, HNMP Round 3, and THP-Plus Housing Supplement Round 4 and accept the additional funding allocation.
- 2) Instruct the Director of DCFS, or designee, to accept the funding for the THP Round 6, HNMP Round 3, and THP-Plus Housing Supplement Round 4 for Los Angeles County, by submitting the signed resolution to the California Department of Housing and Community Development.
- 3) Delegate authority to the Director of DCFS, or designee, in consultation with
 - a. County Counsel, to execute amendments to THP-Plus contracts to increase the Maximum Contract Sum to distribute the new funding allocation to accommodate an increase in units of service and/or increase the current rate of the units, and to update THP-Plus contracts for necessary programmatic changes. Execution of amendments is contingent upon: a) County Counsel approval being obtained prior to execution of such amendments, and b) DCFS notifying the Board and the Chief Executive Officer (CEO) in writing, within 10 business days of such amendment.
- 4) Instruct the Director of DCFS, or designee, in consultation with County Counsel, to execute amendments to the Memorandum of Understanding (MOU) between DCFS and the Department of Health Services (DHS) for Housing Navigators to increase the MOU amount with the new funding allocation.
