The Honorable Board of Supervisors

Dear Supervisors:

**TRANSPORTATION CORE SERVICE AREA  
ANNEXATION AND LEVYING OF ASSESSMENTS FOR COUNTY LIGHTING  
DISTRICTS AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES FOR  
APPROVED TENTATIVE SUBDIVISION TERRITORY  
IN THE UNINCORPORATED AREA OF COVINA  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval and authorization to annex approved tentative subdivision project known as Tract No 83183 located in the unincorporated area of Covina to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone; order the levying of assessments for street lighting purposes; and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service area are subject to the jurisdictional changes.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and record of the action.
2. Adopt the Resolution of Intention to Annex Approved Tentative Subdivision Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and order the levying of assessments within the annexed territory for Fiscal Year 2025-26 whose area and boundary are identified on the diagram included in the resolution.

3. Set a date for a public hearing regarding the proposed annexation of territory and levying of annual assessments based on the Fiscal Year 2025-26 Annual Engineer's Report, which establishes assessments based on land use type for all zones within County Lighting District Landscaping and Lighting Act-1 for street lighting purposes with an annual base assessment rate for a single family residence of \$5 for the Unincorporated Zone.

4. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of January 21, 2025, pursuant to Section 53753 of the California Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Find that the annexation and assessments are for the purposes of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of streetlights necessary to maintain service within the proposed annexation territory.

2. Order the tabulation of assessment ballots submitted and not withdrawn in support of or in opposition to the proposed assessments.

3. Determine whether a majority protest against the proposed annexation or assessment exists.

4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those subdivision territory where the proposed annexation and levying of assessments has been rejected, if any, as a result of a majority protest and refer the matter back to Public Works.

5. If there is no majority protest against the proposed annexation or assessment:

a. Adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, confirming a Diagram and Assessment and Levying of Assessments within the Annexed Territory for Fiscal Year 2025-26 either as proposed or as modified by the Board. The annexation, levy of assessments, and the exchange of property tax revenues shall not become effective unless the legal description for the annexed territory is approved as to definiteness and certainty by the Assessor. The adoption of the resolution ordering annexation shall constitute the levying of assessments in Fiscal Year 2025-26.

b. Adopt the joint resolutions between the Board and other taxing agencies approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of subdivision territory to County Lighting Maintenance District 1687 as approved by the nonexempt taxing agencies.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to annex the future housing development into the County Lighting Maintenance District in order to add new streetlights along streets, improve the lighting levels of the community and ensure that the property owners of the future housing development are contributing their fair share of the funding for the operation and maintenance of the new streetlights. This action benefits future residents by ensuring that the County Lighting Maintenance District will maintain the streetlights with the funding from those benefiting properties.

Approval of the recommended actions will find that the project is exempt from the California Environmental Quality Act Guidelines (CEQA) and allow the Board to:(1) annex specified tentative subdivision territory known as Tract 83183 to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone (collectively, County Lighting Districts); (2) levy assessments in Fiscal Year 2025-26 on each lot or parcel lying within the proposed annexation territory based on land use categories that designate usage units on the basis of benefits received; and (3) approve the exchange of property tax revenue between CLMD 1687 and other nonexempt taxing entities whose service area are subject to the jurisdictional changes.

The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of new streetlights. The proposed assessment rate for the subdivision development will be an annual assessment of \$5 per single-family residence within the Unincorporated Zone with proportionately higher rates for other land uses.

**Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: North Star 2, Realize Tomorrow's Government Today, Focus Area Goal C, Public Safety, Strategy i, Prevention, Protection and Security; North Star 3, Realize Tomorrow's Government Today, Focus Area Goal F, Flexible and Efficient Infrastructure, Strategy ii, Modernize Infrastructure, by replacing and improving funding public infrastructure assets that support the quality of life of Los Angeles County residents. The recommended actions will allow for the continued operation of existing streetlights in the community and provide funding for their operation and maintenance. Maintaining lighting services provides for the convenience and safety of the motoring public, as well as the safety and security of people and property, which improves the quality of life in the County.

**FISCAL IMPACT/FINANCING**

The estimated annual costs for operation and maintenance of the streetlights within the annexed territory is \$314 for CLMD 1687 (Fund F46). Sufficient funding will be included in the Fund F46 Fiscal Year 2025-26 Budget.

In subsequent years, the ongoing operation and maintenance costs within the annexed territory will be funded by the CLMD's share of ad valorem property taxes, supplemented by assessments annually approved by the Board from property owners within this annexed territory. Adoption of the Joint Resolutions will result in a minimal property tax growth transfer from the affected taxing entities, including those taxing entities governed by the Board, the County General Fund, the County of Los Angeles Public Library, Los Angeles County Road Maintenance Districts 1, Los Angeles County Flood Control Drainage Improvement Maintenance District, Los Angeles County Flood Control District, and the Consolidated Fire Protection District of Los Angeles County.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County Code, and applicable subdivision, planning, and zoning ordinances require the installation of a street lighting system by a subdivider as a condition of development. The subdivision developments must comply with the terms of these ordinances and provide street lighting as a condition of development. The purpose of the recommended action is to annex the territory into the County Lighting Districts to comply with these ordinances and the California Streets and Highways Code Sections 5821.3 and 22608.2.

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code Section 22573) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing the street lighting costs based on land use was approved by the Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels. The same distribution method was used to compute the Fiscal Year 2024-25 base assessment rates for each zone within CLD LLA-1 as shown in the Fiscal Year 2024-25 Annual Engineer's Report on file with Public Works.

The procedures for levying of assessments previously authorized by the Board under California Government Code Section 53753, including the distribution, receipt, and tabulation of ballots at a public hearing are required and will be followed for each subdivision annexation project. The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the streetlights as part of the County administered street lighting districts and will result in the final subdivision map not being allowed to record with the office of the Register-Recorder/County Clerk. The assessments will not be levied if the weighted majority of ballots returned are opposed to the assessment.

The enclosed Resolution of Intention to Annex Approved Tentative Subdivision Territory (Enclosure A) must be adopted to set a date for the required public hearing. The Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessments. The approval of the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territory (Enclosure B), the levying of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the streetlights in the annexed territory.

The California Revenue and Taxation Code Section 99 et seq. provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions approving and accepting the negotiated exchange of property tax revenues have been approved by all other nonexempt taxing agencies and are enclosed for your consideration (Enclosure C).

Following the Board's approval of the resolutions for the annexation, levying of assessments, exchange of property tax revenues, and the developer's recordation of the final subdivision map and/or approval of the legal description by the Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code Section 54900 et seq. The resolutions have been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed project is exempt from CEQA. Adoption of the proposed resolution annexing territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will provide the necessary funding for the operation and maintenance of streetlights for the purpose of meeting operating expenses and is exempt from CEQA pursuant to Section 21080(b)(8) of the California Public Resource Code and Section 15273(a) of the State CEQA Guidelines based upon the written findings incorporated in the record setting forth the basis of the exemption with specificity.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The annexation of territory to the County Lighting Districts will result in street lighting for this territory and will have no impact on other services or projects.

**CONCLUSION**

Please return one adopted copy of this letter and a copy of the signed resolutions to Public Works, Traffic Safety and Mobility Division. Also, please forward one adopted copy of the letter and resolutions to the Assessor, Ownership Services Section; and one to the Auditor Controller, Tax Division.
