

MOTION BY SUPERVISOR HILDA L. SOLIS

December 3, 2024

Adopt Resolution Approving the Deemed Reissuance of Tax-Exempt Multifamily Housing Mortgage Revenue Notes for Multifamily Housing in El Monte

The Ramona Metro Point project is a 51-unit, transit-oriented development located at 11016 Ramona Blvd., in the City of El Monte that consists of a mix of 24 one-bedroom units, 12 two-bedroom units, and 15 three-bedroom units. Twenty-four units are reserved for homeless households with a member living with a severe mental illness with incomes not to exceed 25% of Area Median Income (AMI) and 26 units reserved for low-income households with incomes not to exceed 40% of AMI for the Los Angeles-Long Beach Metropolitan Statistical Area, adjusted for household size, as determined by the U.S. Department of Housing and Urban Development. The affordability requirements will remain in effect for 55 years. One three-bedroom unit will be set-aside for the property manager and will have no affordability requirements.

Residents of Ramona Metro Point benefit from supportive services provided on the ground floor of the building, which includes approximately 8,400 square feet of space. Other amenities include a community room with Wi-Fi, computer lab, homework stations, and a tot-lot. Parking and storage will account for approximately 12,000 square feet of space. The project includes 76 parking spaces (combination of tandem, tuck-under, and surface parking spaces), as well as bicycle storage facilities.

On May 4, 2021, January 25, 2022, and January 10, 2023, the Board approved various actions that authorized the Los Angeles County Development Authority (LACDA) to issue tax-exempt multifamily housing mortgage revenue notes (Notes) for project

financing. Those Notes, which will be repaid solely through revenues from the project, were issued and the project has completed construction. The LACDA is authorized to issue multifamily housing mortgage revenue bonds or notes to assist in providing financing for nonprofit public benefit organizations or for-profit corporations with a public benefit project, including Ramona Metro Point, L.P. (Borrower). For the LACDA to issue Notes for this project, the LACDA and the County must complete the following actions: (1) The LACDA must conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code; and (2) The County must approve a resolution approving the plan of financing and authorizing the LACDA to issue the Notes.

Ramona Metro Point completed construction in September 2024, is almost fully leased, and is now converting to permanent financing. A deemed reissuance of the Notes in an amount not to exceed \$7,609,603 is needed because the Borrower and the owner of the Notes, which is also the lender under the Note financing (Lender), have agreed to various changes to the terms of the Notes, which changes in the aggregate result in a reissuance of the Notes for federal tax purposes. To allow the project to convert to permanent financing on the modified terms contemplated by the Borrower and the Lender, the Board's approval of a deemed reissuance is needed to satisfy Internal Revenue Code requirements.

On October 31, 2024, at its office located at 700 West Main Street in Alhambra the LACDA conducted a telephonic hearing regarding the issuance of the tax-exempt Notes to finance Ramona Metro Point. No comments were received at the hearing concerning the issuance of the tax-exempt Notes or the nature and location of the project.

The proposed actions are not a project pursuant to the California Environmental

Quality Act (CEQA) because they are activities that are excluded from the definition of a project by Section 15378 (b) of the State CEQA guidelines. The proposed actions are administrative activities of government which will not result in direct or indirect physical change to the environment.

The attached Resolution was prepared by Hawkins Delafield & Wood LLP, LACDA Bond Counsel, and approved as to form by County Counsel.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Adopt and instruct the Chair to sign a Resolution, as required under Section 147(f) of the Internal Revenue Code of 1986, approving the deemed reissuance of Multifamily Housing Mortgage Revenue Notes and related actions in an amount not to exceed an aggregate amount of \$7,609,603, which will be deemed to refinance a portion of the cost of the acquisition, construction and development of Ramona Metro Point, a multifamily rental housing development consisting of 51 units located at 11016 Ramona Boulevard (also known as 3436 & 3454 Tyler Avenue) in the incorporated City of El Monte.
2. Find that approval of these actions is not subject to the provisions of CEQA because the actions will not have the potential of causing a significant effect on the environment.

3. The proper officers of the LACDA are hereby authorized and directed to take whatever further action relating to the aforesaid financial assistance may be deemed reasonable and desirable, provided that the terms and conditions under which the Notes are to be deemed reissued and sold shall be approved by the Board of Commissioners of the LACDA in the manner provided by law prior to the sale thereof.
