MOTION BY SUPERVISOR HOLLY J. MITCHELL

Resolutions to Issue Supplemental Multifamily Housing Mortgage Revenue Notes to Finance the Development of the West Carson Villas Project

West Carson Villas (Project) is located at 22801-22905 South Vermont Avenue in the unincorporated community of West Carson. The Project is comprised of 111 units of multifamily affordable housing that includes 46 one-bedroom units, 53 two-bedroom units, and 12 three-bedroom units. The Project will set aside 63 units for Special Needs populations earning at or below 30% of the Area Median Income (AMI), 47 general affordable units for households earning at or below 60% AMI, and 1 unrestricted manager’s unit.

The Project will have common open space for creative active engagement, varied seating areas, a community gardening space and on-site amenities, including community rooms with a teaching kitchen, a television with a seating area, and a computer lab with up to six stations. On-site supportive services include case management, mental health care, substance use services, life skills, benefits assistance, and referral information.

The Project has completed construction and is converting its funding to permanent financing. As part of this action, approval from the Los Angeles County (County) Board of Supervisors (Board) is needed to authorize the issuance, sale, and delivery of supplemental tax-exempt multifamily housing mortgage revenue notes in an aggregate principal amount not to exceed \$700,000 to assist in financing the reimbursement of certain costs relating to the acquisition, construction, rehabilitation, or development of the Project. The Project’s developer is Path Ventures and the Project’s owner is PV West Carson, LP (Borrower), a California limited partnership which includes the Developer as a partner.

In 2020 and 2021, the County Board and the Board of Commissioners of the Los Angeles County Development Authority (LACDA), as applicable, adopted resolutions declaring LACDA’s

reasonable official intent to reimburse prior expenditures of the Project with proceeds from a subsequent borrowing, declaring LACDA's intent to undertake the financing of the Project and approving LACDA's issuance of multifamily housing mortgage revenue notes and related actions in accordance with Section 147(f) of the Internal Revenue Code of 1986 (the "Code"). This action authorized the issuance, sale, and delivery of tax-exempt multifamily housing mortgage revenue notes in an aggregate principal amount not to exceed \$31,768,000 and taxable multifamily housing mortgage revenue notes in an aggregate principal amount not to exceed \$14,500,000 to approve a loan to provide the Project's financing.

LACDA is requesting authority to declare its reasonable official intent to reimburse additional prior expenditures of the Project with proceeds from a subsequent borrowing, to undertake additional financing for the Project, and to issue supplemental notes, all to assist the Project in closing a financing gap that arose during the time of rising construction costs as a result of the volatile market. The proposed actions are a necessary step to provide bond financing for the Project, which will increase the supply of affordable multifamily housing with long-term affordability in the County.

LACDA is authorized to issue multifamily revenue bonds or notes to assist in financing nonprofit public benefit organizations or for-profit corporations with a public benefit project, including the Borrower. In order for LACDA to issue such bonds or notes and effect the use of proceeds thereof as described above, the following actions must be executed: (1) LACDA must conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code and adopt a resolution in connection therewith; (2) LACDA must adopt a resolution declaring its reasonable official intent to reimburse prior expenditures of the Project with proceeds of a subsequent borrowing; and (3) the County must approve a resolution approving the plan of financing and authorizing LACDA to issue the notes. Although LACDA will be issuing the notes at the request of the Borrower, the financing cannot proceed without the approval of the applicable elected legislative body.

On October 31, 2024, LACDA conducted a telephonic hearing regarding the issuance of

the tax-exempt notes to finance the Project at its office located at 700 West Main Street in the city of Alhambra. No comments were received at the hearing concerning the issuance of the tax-exempt notes or the nature and location of the Project.

Pursuant to California Government Code Section 5852.1, a required public disclosure document for this issuance is attached. All other related documents, in substantially final form, are on file with the Executive Office of the Board. These documents will be approved as to form by County Counsel prior to execution by the authorized parties.

There is no impact to the County General Fund. The notes will be repaid solely through rent revenues collected by the Borrower, and the Borrower will pay all fees and related costs.

The proposed actions are not a project pursuant to the California Environmental Quality Act (CEQA) because they are activities that are excluded from the definition of a project by Section 15378 (b) of the State CEQA guidelines. The proposed actions are administrative activities of the government that will not result in a direct or indirect physical change to the environment.

The attached Resolutions were prepared by Hawkins Delafield & Wood LLP, LACDA Bond Counsel, and approved as to form by County Counsel.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

1. Find that approval of these actions is not subject to the provisions of the California Environmental Quality Act (CEQA) because the actions will not have the potential of causing a significant effect on the environment.
2. Adopt and instruct the Chair to sign the attached Resolution declaring the Los Angeles County Development Authority's (LACDA) reasonable official intent to reimburse prior expenditures of the West Carson Villas (Project) with proceeds of a subsequent borrowing.
3. Adopt and instruct the Chair to sign the attached Resolution approving the plan of financing for the Project and the notes in connection with Section 147(f) of the Code.

4. Adopt and instruct the Chair to sign the attached Resolution approving the issuance of supplemental tax-exempt multifamily housing mortgage revenue notes by LACDA, in an aggregate principal amount not exceeding \$700,000 to assist PV West Carson, LP (Borrower), or a LACDA-approved designee, to finance the site acquisition, construction, rehabilitation, or development of West Carson Villas, a 111-unit multifamily rental housing development located at 22801-22905 South Vermont Avenue in unincorporated West Carson.

I FURTHER MOVE THAT THE BOARD OF SUPERVISORS, ACTING AS THE BOARD OF COMMISSIONERS OF THE LOS ANGELES COUNTY DEVELOPMENT AUTHORITY:

1. Find that approval of these actions is not subject to the provisions of CEQA because the actions will not have the potential of causing a significant effect on the environment.
2. Adopt and instruct the Chair to sign the attached Resolution declaring LACDA's reasonable official intent to reimburse prior expenditures of the Project with proceeds of a subsequent borrowing.
3. Adopt and instruct the Chair to sign the attached Resolution approving the plan of financing for the Project and the notes in connection with Section 147(f) of the Code.
4. Adopt and instruct the Chair to sign the attached Resolution authorizing the issuance, sale and delivery of supplemental tax-exempt multifamily housing mortgage revenue notes in an aggregate principal amount not to exceed \$700,000 to finance the site acquisition, construction, rehabilitation, or development of West Carson Villas, a 111-unit multifamily rental housing development, located at 22801-22905 South Vermont Avenue in unincorporated West Carson.
5. Authorize the Executive Director of LACDA, or designee to negotiate, execute, and if necessary, amend or terminate all related documents and take all necessary actions for the issuance, sale, and delivery of the notes.

WHEREAS, this Board of Commissioners of the LACDA (the “Board”) hereby finds and declares that it is necessary, essential and a public purpose for the LACDA to finance multifamily housing projects pursuant to the Act, in order to increase the supply of multifamily housing in the County of Los Angeles (the “County”) available to persons and families within the income limitations established by the Act; and

WHEREAS, the LACDA, in the course of assisting the Borrower in the financing of the Project, expects that the Borrower has paid certain expenditures (the “Reimbursement Expenditures”) in connection with the Project within 60 days prior to the adoption of this Resolution and may incur additional Reimbursement Expenditures within 60 days prior to the adoption of this Resolution and prior to the issuance of indebtedness for the purpose of financing costs associated with the Project on a long-term basis; and

WHEREAS, Section 1.142-4 and Section 1.150-2 of the Treasury Regulations require the LACDA to declare its reasonable official intent to reimburse prior expenditures for the Project with proceeds of a subsequent borrowing; and

WHEREAS, Section 146 of the Internal Revenue Code of 1986 limits the amount of multifamily housing mortgage revenue bonds that may be issued in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the Government Code of the State of California (the “Government Code”) governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue multifamily housing mortgage revenue bonds; and

WHEREAS, Section 8869.85 of the Government Code requires a local agency to file an application with the California Debt Limit Allocation Committee (“CDLAC”) prior to the issuance of multifamily housing mortgage revenue bonds; and

WHEREAS, as an inducement to the Borrower to carry out the Project, this Board desires to adopt this resolution (this “Resolution”) and, for purposes of Section 8869.86(b) of the Government Code relating to the volume cap allocation by CDLAC, to authorize the issuance of multifamily housing mortgage revenue bonds or notes by the LACDA to finance the Project in a principal amount not to exceed \$700,000; and

This action is taken expressly for the purpose of inducing the Borrower to undertake the Project, provided that nothing contained herein shall be construed to signify that the Project complies with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the LACDA or any officer, agent or employee of the LACDA will grant any approval, consent or permit which may be required in connection with the acquisition, construction and development of the Project or the issuance of the Bonds.
3. The issuance and sale of the Bonds shall be upon such terms and conditions as may be agreed upon by the LACDA and the Borrower and the initial purchasers of the Bonds; provided, however, that the Bonds shall not be sold or issued unless specifically authorized by the subsequent resolution of this Board.
