19.		Oppose	Yolanda Brown	<p>Reclassifying supervisors from field SDPO to SDSO's in juvenile hall goes against county code rules. Where is the study for reclassifying employees. Moving supervisors from an arduous 2 to arduous 4 position with no consideration for what's appropriate for an aging population is very telling. Probationers in the field are not being supervised due to staffing shortages. Field offices are depleted.</p> <p>Now you're imposing and essentially bullying our union language away to be able to move us whenever and wherever you want. It started before this imposed hearing today. Our supervisors are currently ring reassigned to the hall, experiencing freeway therapy driving 90 + miles everyday is unsafe, they are not using the seniority list, walking into dangerous territory with no real support and working strenuous hours of all sorts. What's happening now, is the very reason article 43 was needed in the place for protection from management overreach.</p>
