Agenda #	Relate To	Position	Name	Comments
14.		Favor	Cindy Oliver	On behalf of Pastor Brown and PCS Family Services, Inc., we want to thank Supervisors Hilda Solis and Lindsey Horvath for their motion to advance this program to provide critical services to pregnant people, new parents, and newborns that were exposed to substances. LA County is in the middle of its worst substance use crisis, and getting resources to impacted families is very important. These steps will help advance the County's prevention efforts to care for children and parents while avoiding hopefully unneeded interactions with the child welfare system.
