25.		Other	Wayne G Wasson	The LA County Dept. of Parks and Rec. Senior Golf Rates are no longer being honored by the County. It appears that as of the last few weeks the County has made a change to their booking process by outsourcing the golf tee times to a 3rd party. This entity has negated any ability for us Senior Citizens to book an affordable tee time. There is simply no option on line to book a senior rate. As a result many of us to whom our recreation dollars are so important are left with no option but to pay double what we are currently paying, even with a valid Senior Card! I can say this must be costing your constituents hundreds of thousands of dollars. I am asking the Bd. of Supervisors to look into this matter promptly to ascertain if this is a new policy issue or simply a question of mis-management with your new IT partner. In any event I am sure I can speak for all of us in saying this situation need to be addressed promptly. Thank you for your attention to this matter.
