			Kat Guerrero	As a DPSS employee I reflect back to when President Bush passed away and was given the day to mourn and watch the funeral. It was a sad day and is a sad day when any President passes away. The day of mourning should pass and allow employees to respect a former United States president and watch the funeral. Thank you
			Natalia S Sanchez	As a DPSS CSC worker, we miss out on so many events that impact our world. We should all be allowed a day to mourn and view the national memorial for Jimmy Carter, with the rest of the world.
			Ricardo Ulloa	Please allow us to mourn this day.
