Public Comment		Oppose	Maureen Weston	LA County short term rentals deny citizens the ability to rent out pool or guest houses for fire victims because only rooms inside a house are now permitted. Our 8 years of opening our property and one bedroom pool house to visitors to the Santa Monica mountains is shut down and we can't open this up to Fire Victims due to this ridiculously overly broad and unduly restrictive tax grab and oppressive non sensible regulation. Any concerns about nuisance are addressed by existing law. This short term rental regulation needs to be amended to allow on site property owners to rent short term particularly during this tragic loss of thousands of homes in LA County. Repeal and allow us to provide short term housing to fire victims.
		Other	Kevin G Murphy	All of you ladies who are representing Los Angeles are a joke! All of you are responsible for all the fires in Los Angeles. All of you need to step down!
