			James Finney-Conlon	<ul style="list-style-type: none"> •My name is James Finney-Conlon and I serve as Senior Policy Manager at the LA Area Chamber of Commerce, which represents many of the businesses impacted by the wildfires. •The Chamber commends and supports Supervisor Mitchell for 31-B and advocates for 31-A to include an equity based approach, in order for the Department of Economic Opportunity (DEO) to set up and manage two crucial funds to support the business community during these unprecedented wildfires. •Philanthropies across the world can have a centralized point of contact to provide immediate care to LA County businesses. The Chamber will look to partner via Together for LA to ensure the most speedy and responsible distribution of funding to support the real and urgent needs of businesses today as they grapple with the economic disruption and damages from the wildfires.
