Subject: Unincorporated Areas Emergency Evacuation Route Hearing

CAUTION: External Email. Proceed Responsibly.

Hi Iris,

My name is Tracy LaRosa, and I'm the President of the Lakes Town Council. We represent areas including Elizabeth Lake and Lake Hughes. I was forwarded information regarding next Tuesday's public hearing concerning Project No. PRJ2021-002039-(1-5).

For years the residents of Elizabeth Lake have been very concerned about the fact many have only one exit route out of the area. This can be seen on a map showing Kiptree Road and Ranch Club Road. Recently, the Off the Grid RV Ranch has opened up in the area. It rents spaces to campers and permanent residents, adding to potential dangerous evacuation gridlock situations in case of fire or other emergencies.

We just want to make sure those involved in this hearing are aware of our community's concerns. A member of the Town Council is planning to listen in on the meeting.

Please let me know if there's anything I can do to help specifically convey the concerns of the affected residents. I can sent you specific maps and even pictures if the area if that would help.

Thank you for your time, and have a great rest of your day.
