Dear Supervisors:

**MUNICIPAL SERVICES CORE SERVICE AREA  
ADOPT THE FINDINGS AND ORDERS OF THE  
BUILDING REHABILITATION APPEALS BOARD  
IN THE UNINCORPORATED AREA OF LOS ANGELES  
(SUPERVISORIAL DISTRICT 2)  
(3 VOTES)**

**SUBJECT**

Public Works is seeking Board approval to adopt the findings and orders of the Building Rehabilitation Appeals Board pursuant to Title 26 of the Los Angeles County Code, Building Code, which provides for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthy conditions, which constitute a public nuisance.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Adopt the findings and orders of the Building Rehabilitation Appeals Board that provide for the abatement of public nuisances at the following locations:
  - 1218 West 101 Street, Los Angeles, California 90044
  - 1319 West 118 Street, Los Angeles, California 90044
2. Approve a new compliance date of 30 days from the date of Board approval for the properties listed above, ensuring property owners have adequate time to meet the prescribed conditions.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to provide for the abatement of public nuisances

through rehabilitation procedures. Title 26 of the Los Angeles County Code, Building Code, provides for a Building Rehabilitation Appeals Board to hear appeals on matters concerning public nuisances.

The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthy conditions, which constitute a public nuisance. This action will improve the quality of life for the surrounding neighborhoods and the overall County community.

### **Implementation of Strategic Plan Goals**

The recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal C, Public Safety, Strategy i, Prevention, Protection & Safety, as it provides services to the public that have a wide-reaching positive effect on the entire community by abating conditions that constitute a public nuisance. The recommendation also supports North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal D, Sustainability, Strategy iv, Environmental Justice, as it allows the County, when necessary, to take actions to demolish unsafe structures and clean up unsightly properties that pose health and safety threats to the community.

### **FISCAL IMPACT/FINANCING**

There will be no increase in net County cost or negative fiscal impact. Costs of the abatement work are billed to the property owner(s). Failure to pay the bill will cause a special assessment to be placed on the tax bill and a Notice of Abatement Lien will be recorded against the property with the County Registrar-Recorder/County Clerk's office.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County will abate public nuisances through Public Works personnel and/or on-call contract services or Departmental Service Orders with the Internal Services Department and Department of Agricultural Commissioner/Weights and Measures.

The Los Angeles County Code, Building Code, provides for the abatement of public nuisances through rehabilitation procedures contained in Chapter 99.

Government Code Section 25845 requires that the property owner(s) be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance(s) by the County. However, the Board adopted modified procedures that delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to the Board.

The Building Rehabilitation Appeals Board conducted the required hearing for the properties listed below on June 12, 2024. The Building Rehabilitation Appeals Board considered all competent evidence and testimony offered by all persons pertaining to the matters of the substandard properties. The Building Rehabilitation Appeals Board made a finding of facts in the matter and declared the following properties a public nuisance. The Board may either adopt these findings and orders of the Building Rehabilitation Appeals Board without further notice of hearing or may set the matter for a de novo hearing before the Board.
