51-C.		Favor	colin M m Campbell	<p>Hello LA Board of Supervisors: Can we setup command control communication out of south pasadena fire department for the new database requested by Fire Chief Anthony Maronne and Kathryn Barger, the federal budget is \$238.5 billion. I am with the kiwanis and volunteer with South Pasadena fire fighters for 4th of July pancake breakfast and they would be great people to first rollout this program/pilot. We can setup requirement sessions and demo this technology hosted by us cybercommands/DOGE to help with removal of toxic fire debris.</p> <p>51-C.
